Overview

Ziyad Aluminium & Glass L.L.C

INTRODUCTION

ZIYAD ALUMINIUM & GLASS L.L.C was founded by Mr. Bahadur Singh Saggu in the year 1981. From the modest beginning it has grown into a full fledged aluminum & glass works service provider in residential and commercial projects all over the local region. Following Ziyad initial success it was Mr. Bahadur Singh Saggu's vision to expand the business throughout the country, which was achieved with the help of his dedicated team of professional staff.

Our pride lies in the competence and skill of our workforce. Our dedicated team of professional staff, tradesmen and estimator provide the expertise to carry out projects of all sizes & styles. This ensures that our staffs is fully aware and knowledgeable on different types of aluminum sections and glass types, fittings available in the market & utilize the right one for each occasion.

We also specialize in custom designed Products to meet our customer's specific needs. Our design staff can work with you to address difficult conditions whether high noise environments or high wind load considerations. Near three decades of experience and innovation empowers us to be a very creative and efficient member of any building team.

We shall highly appreciate if you will kindly include our company's name in your tender list for all your building projects. There is no job to big or small that we will not do! We look forward to having a good business relationship with your organization as we promise you the best service at all times.

Bahadur Singh
(Managing Director)

Ziyad Aluminium & Glass L.L.C

Quality Control

Quality is the feature of the Ziyad Aluminium's sustained growth and success. We keep in touch with the latest developments within our scope of works and modify our workmanship by adapting the latest technology and materials developments to give the client full satisfaction in terms of quality and services.

Using defined quality control procedures, we ensure compliance with standards in all our facilities and work sites. Our quality system has been developed by the company's Quality Control team, and we continue to review and upgrade it through regular reviews.

Ziyad Aluminium & Glass L.L.C

SAFETY POLICY STATEMENT

Ziyad aluminium & glass L.L.C is totally committed to the promotion of Health & Safety. My Directors and I will provide, as far as is reasonably practicable, the necessary leadership and resources required to maintain health and safety.

The company recognizes that Health & Safety is a business function and must, therefore, continually progress and change. Our approach to safety is based upon the identification and control of risks.

The company believes in constantly improving Health & Safety standards and performance. To this end it will Endeavour to ensure that all relevant statutes, regulations and Codes of Practice are complied with.

The minimum standards that will be adopted by the company are those required by law, although the company will always seek to exceed these where there is a demonstrable benefit.

The company recognizes that safety is the responsibility of everyone and not just a function of management. Managers have specific duties and responsibilities to comply with the letter and the spirit of company policy. However, the Health & Safety of our employees and of other people is an area in which ALL employees have obligations and responsibilities.

The company actively promotes the involvement of all employees in safety management. In accordance with the requirements of the Health & Safety at Work Act 1974 and the

Management of Health & Safety at Work Regulations 1992, the Company will:

- Carry out suitable and sufficient risk assessments.
- Investigate accidents and near “hits” in order to determine their causes and take action to prevent a recurrence.

In order to provide:

- Safe plant and equipment
- Safe place of work
- Safe systems of work
- Adequate supervision, training, instruction and Information

To ensure that this policy is effective we will:

- Review it annually, or on significant changes in our business
- Make any such changes known to our employees
- Maintain procedures for communication and consultation between all levels of staff on health & Safety matters.

Ziyad Aluminium & Glass L.L.C

ENVIRONMENT POLICY STATEMENT

Ziyad Aluminium & Glass L.L.C recognizes that concern for the environment is fundamental to the way in which it conducts business; and is committed to promoting awareness and a responsible attitude amongst its employees.

In particular the company will:

1. Comply with legal requirements, including Codes of Practice and other guidelines; obtain licenses (e.g. Waste Carriers) and other authorizations as required in order to comply with appropriate regulations.
2. Make efficient use of energy and natural resources.
3. Minimize waste and where practicable, ensure that waste products are re-cycled.
4. Restrict the use of packaging to a minimum and where practicable, maximize the use of recycled materials.
5. Controls air, water and noise pollution by the best available techniques not entailing excessive cost.
6. Encourage the efficient and economical use of transport.
7. Maintain the condition and appearance of Company premises.
8. Develop and provide products and services that help to conserve energy resources and; have no adverse effect on the environment.
9. Promote awareness amongst all employees of company environmental policy and ensure their co-operation in implementing these standards and procedures.
10. Encourage suppliers and customers to increase their awareness of, and improve environmental standards.
11. Regularly review our environmental standard and procedures, and strive for continuous improvement in our performance, towards a standard which is greater than mere regulatory compliance

Ziyad Aluminium & Glass L.L.C

Company's Vision & Mission

Vision

With a comprehensive strategy, Ziyad Aluminium & Glass is step by step affirming ourselves to be the top aluminium & glass fabrication and installation company in UAE. We desire to rise higher in international market and become the believable partner of domestic as well as international investors.
