

INTRODUCTION

Al Mamaleek Building Materials L.L.C is one of the major importers and distributors of building materials in the United Arab Emirates. Founded in 1998, our extensive industry knowledge and local market experience has helped establish us as a premium supplier of building materials and fittings, supported by a strong client base of both local and international companies.

FINANCIAL INFORMATION

Al Mamaleek Building Materials LLC is registered as a Limited Liability Company with the Department of Economic Development with a Share Capital of AED 300,000.00. Our corporate bank account is with Emirates Bank, Souk Branch and we also have accounts with RAK Bank, Al Quoz, Al Masraf Bank, Dubai Branch and National Bank of Fujairah, Dubai Branch.

BUSINESS ACTIVITIES

Our primary business activity is in the importing and distribution of various types of drainage products such as manhole covers, gratings, roof & floor drains, pipes and fittings and other related products. Our products are used mainly by Electro Mechanical Contractors, and we also cater to clients in and around the Gulf region.

MANAGEMENT

An expert team of professionals manage the company, possessing more than two decades of experience in the Gulf. Our experienced sales team consists of enthusiastic professionals who can support our clients with detailed product information at any given time. The company Directors are Mr. Yakoob Yousef Ibrahim Abdulla (U.A.E. Citizen), and Mr. Philip Joseph (Indian Citizen).
