OASIS FULL OF CHOICES

ABOUT US

Oasis Marine Trading LLC is a trusted name in the marine and oil field supply industry. From the very beginning, we've been committed to providing exceptional service and tailored solutions to meet the unique demands of our clients. Specializing in top-tier marine supplies, we are driven by a passion for excellence and a mission to ensure reliability and performance across every product we deliver.

OUR MISSION

- **Excellence: From sourcing top-tier products to providing professional guidance, we ensure that every product meets the highest industry standards.**
- **Reliability: We understand the critical nature of marine and oil field operations. That's why our products are chosen for their durability and performance, offering our clients peace of mind on every project.**
- **Customer-Centric Approach: Our team works closely with clients to provide personalized service, ensuring that every order is handled efficiently and delivered on time.**

OASIS MARINE TRADING

MS/GI LONG THREADED NIPPLE

BSPT , NPT THREADED

Made from a short piece of pipe (sometimes referred to as a “barrel nipple” or “pipe nipple”.

SWAGE NIPPLES

CONCENTRIC , ECCENTRIC SWAGE NIPPLES
MATERIAL: CS / SS

OASIS MARINE TRADING

KING NIPPLE

BSPT,NPT THREADED

- Uses – Connecting Pipes, Valves, And Fittings.
- Resists Corrosion And Rusting For Durability And A Long Lifespan.

BRASS PIPE NIPPLES

Used To Connect Hoses, Pipes, Or Other Fluid Transfer Systems

OASIS MARINE TRADING

STRAUB PIPE CLAMPS

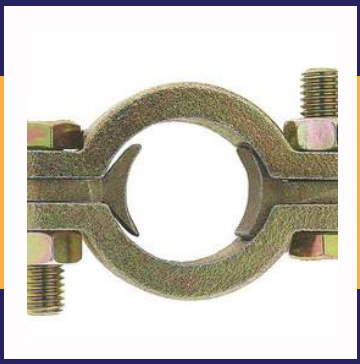
Repairing clamps effectively seals leaks, preventing loss of fluids or gases, and reducing the risk of environmental damage or safety hazards.

PIPE TUBE CLAMPS

Stainless steel / Galvanized
Medium & heavy duty
PVC BODY

OASIS MARINE TRADING

CLAMPS



DOUBLE BOLT CLAMPS

Material: Malleable iron, Zinc plated, galvanized steel, Carbon Steel

SINGLE BOLT CLAMP

Hold hoses onto fittings and prevent leaks.
Material: Stainless steel / Galvanized

WIRE ROPE CLAMPS

Material: Galvanized / SS 304, SS 316

OASIS MARINE TRADING

CLAMPS

D SHACKLE

For lifting, rigging, and connecting ropes and chains
Material: Stainless steel / Galvanized

BOW SHACKLE

Bow hackles have a removable pin secured by a threaded screw.
Material: Stainless steel / Galvanized

DOUBLE RING CLAMPS

These Clamps provide a means to secure fittings in heavy duty or light wall hose. For use with low pressure couplings for suction and discharge service.
