# Introduction

**Mohsin Hardware Trading Company**, also known as **(MHT)** has grown to become one of the pioneer anchor bolt and nonstandard construction fastener company in UAE. We are an emerging fasteners trading company, with its warehouse in Ajman.

A Dubai-based small business, was founded in 2007 as a specialty fastener distributor for all types of industries. Through the years, **Mohsin Hardware Trading Company LLC** has set the standard for customer service by providing creative solutions to difficult customer applications on time. We regularly visit our network of suppliers in Asia, Europe and all around the world. All our affiliated mills are quality registered, which have been approved according to our Q.A. system and certified by the relevant International Organizations.
