INTRODUCTION:

ABOUT US: Creative Concepts Group was establish in 2006.

- Our talent to stay abreast of the latest in interior design industry coupled with the creativity and imagination of our experienced professionals has made Creative Concepts, a dominant player in this filed. We have successfully completed a diverse range of projects for hotels, restaurants, financial institutions, hospitality installations, offices ,shops and luxury homes throughout U.A.E .
- at easiest way we carry out any type of project from initial planning to final implementation. One of our primary responsibilities as interior designer and decorator is to focus on all of the key elements in your home or office space. The next step is to create a functional environment in each of these elements that optimizes space and finally, create a unique design solution that relates to client's vision while maintaining a balance between functionality and aesthetics.
- we are passionate about design and strive to create timeless and harmonious interiors for our wide range of clients.
- While working closely with you, our talented team of designers will evaluate your needs and interpret your requirements in order to create your perfect space.
- We offer a complete range of innovative interior designs including planning, purchasing and project management services for residential & corporate clients, residential developers and the hospitality industry. Our design work extends to the creation of custom furnishings, rugs, millwork and lighting.
- **Mission & Vision:**
 - To be the most premier and complete one stop Interior Design solutions brand by providing unparalleled quality, services, and management while utilizing our global resources and systems, caring for the environment, and enabling our employees to deliver uncompromising excellence to our clients and shareholders.
 - We are determined to maintain its consistency in the provision of quality 'total solution' packages for its interior design & fit-out services, to the highest local and international standards using high quality, durable materials and finishes.
 - By providing its customers with a personalized, unique service, which caters to both corporate and personal needs, we intend to position itself as an organization that understands and maintains a respect for the design and integrity of the customers needs.
