Muzaco Print & Pack Design

THE MOST TRUSTWORTHY
MANUFACTURER AND
DISTRIBUTOR OF

FOOD PACKAGING MATERIALS

**We specialized in
Customized Packaging
for all your needs !**

ABOUT US

Protecting your Products, your Brand and your Business

Muzaco Packaging is the largest distributor of protective packaging products and services in the UAE.

We can support your packaging operation at each and every stage, from stock management to packaging design. Our experts can help you to increase efficiency, save time and reduce costs – while simultaneously improving the protection of your products in storage and transit.

Finally, and very importantly, through the right choice and design of packaging, we can ensure your customers have a positive experience.

GET INSPIRED

TOP-NOTCH QUALITY

Our packages are engineered to be the best. That means the finest materials and the most precise layout process - so putting your package together is a smooth and easy task that can be done in seconds.

STATE OF THE ART PRINTING

See your logo, photos, patterns, or doodles printed beautifully using only the finest presses and state of the art equipment. With full CMYK color printing at your fingertips, your brand will beam with color - and the quality will knock your customers' socks off.

CHOOSE YOUR MATERIAL

Imprint your brand on a tempting choice of materials - from thin, flat paperboard to thick, corrugated cardboard, and from bright, crisp white to earthy, brown Kraft. If you can't make up your mind or need a little guidance, we're here to help.

YOUR
PACKAGING
EXPERTS...

Our national reach means our expertise and experience is available to you right now, wherever you are based, to **protect your products, your brand and your business.**

We operate through a network of regional distribution centres. Each has a dedicated customer service, procurement, logistics and sales team to support you. Each warehouse is stocked with the widest range of packaging products, to be called off as needed and dispatched in one of our dedicated delivery vehicles.
