ABOUT US

Al Saqr Industries L.L.C is located in Industrial Area 11, Sharjah, United Arab Emirates (U.A.E) that specializes in manufacturing a series of daily chemicals such as household cleaning, vehicle liquids, and personal care among others. The company owns several brands such as AQUA, COOL-X, TURBO, THERMO-COOL AL SAQR, MR. COOL, DAINAMO, CRYSTAL, PHOENIX AND BALWA THEZAB. Owing a powerful R & D department proves strength and incredible quality to our products that enjoys positive reputation around G.C.C and African Markets as well as other countries in the world.

In 2007, Aqua products were founded; it is a modern and eco-friendly that integrates research capacity, production base, worldwide sales and customer service jointly. Our lines of products includes items such as Drainage Opener, Battery Acid, De-ionized Battery Water, De-mineralised water (Laboratory/Technical) grade. Radiator Coolants, Anti-Freeze Radiator Coolants, Cleaning Acid, Cement Scale and Rust Removers, Personal care, Building Material, Sanitary items, Bathroom and Kitchen fitting, industrial Chemical. Products and variety of items. In 2010, the company makes a further optimization on the craftsmanship and formula other aspects. Furthermore, the company began entering the local Omani market with favorable result in 2012. 2016 in Saudi Arabian and Armenian Markets also.

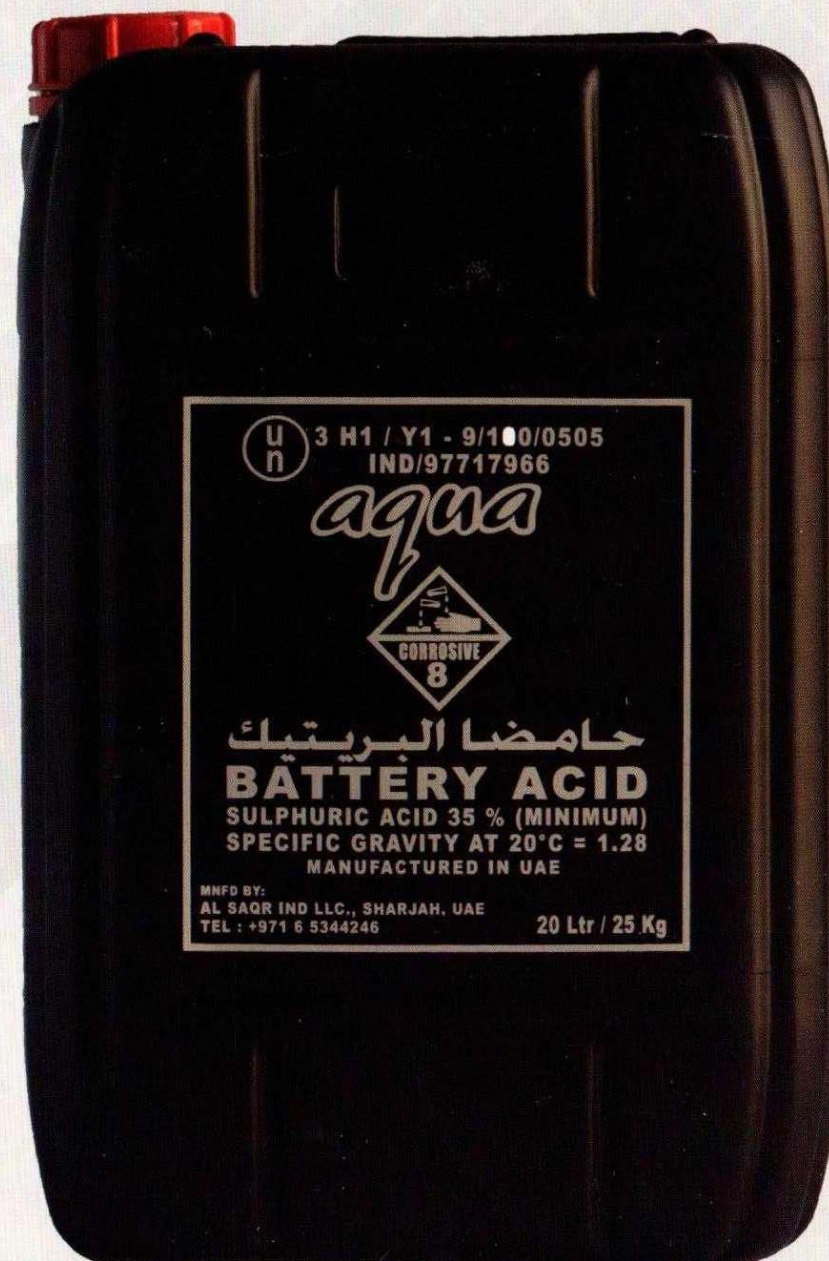

We hold an experienced R&D Department that regulates and standardizes quality throughout the course of the process. The team is closely associated with the working and functioning of the plant to guarantee our best quality products namely AQUA, COOL-X, TURBO, THERMO-COOL, AL SAQR, MR.COOL, DAINAMO,CRYSTAL, PHOENIX AND BALWA THEZAB.

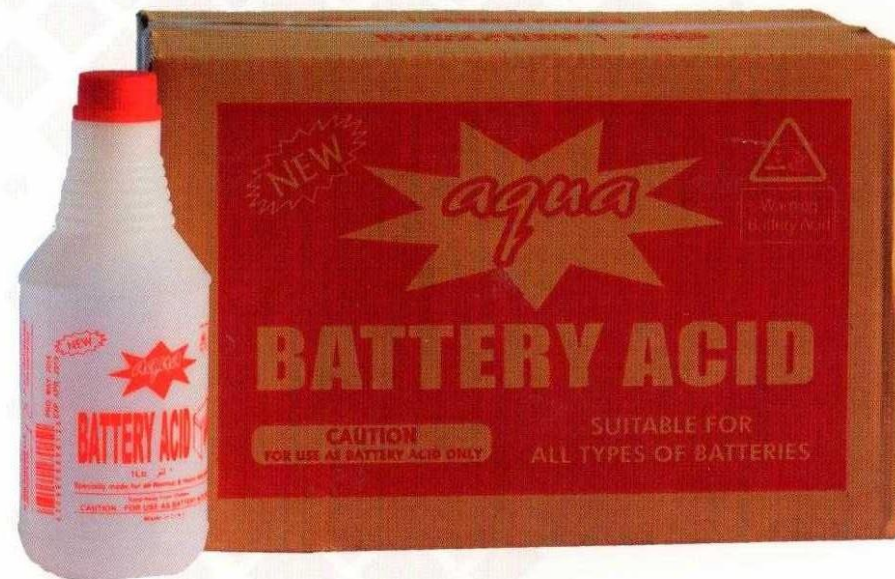

All our products are environment friendly and we take strict measures to protect the environments such as conserving water, composting and planting more trees in the factories surroundings. Our aim is "an industry which is people oriented, ethical and at the same time in harmony with nature." We always do our best to meet the demands of our clients with creativity and high quality of products that are not only safe but healthy and environment friendly.

BATTERY ACID

Al Saqr Industries. L.L.C. has been producing a wide variety of battery acids for the commercial, automotive, marine, telecommunications, industrial and stationary markets. We specialize in the brand Aqua. The product quality meets even the most demanding specification requirements.

Al Saqr Ind. L.L.C offers our clients quick and prompt delivery as we have strong logistic system to distribute the products at the customer's door step. We have large warehouse in Armenia, Kingdom of Saudi Arabia, Sultanate of Oman and United Arab Emirates to stock our full range of products that helps us to serve customers anytime. Our strong retail network throughout the Armenia, U.A.E. and Middle East offers quick and excellent after sales service to our valued customers.

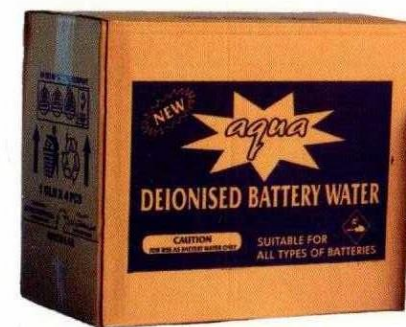

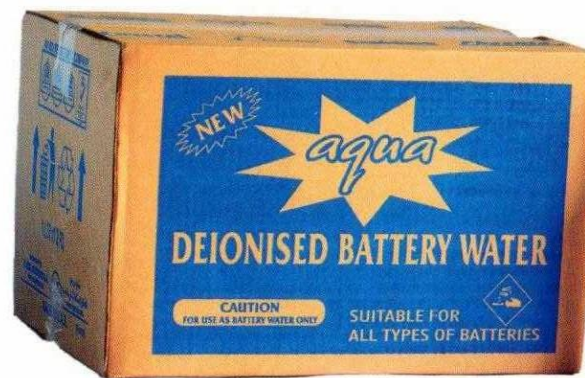

D-M-WATER

Reckoned among the eminent suppliers, we offer a reliable range of De-mineralised Water. Lab and technical grades in Aqua Brands. All these products are manufactured in compliance with set industry's norms and standards.

DRAINAGE OPENER

Drainage Openers are the best type of protection from clogged drains. The formula is made to help fight clogs and also works to break down the residues. The brands we supply are AQUA, ATLANTIC, BALWA THEZAB and NEW keeps you on the cutting edge with the best in chemicals and cleaning products.

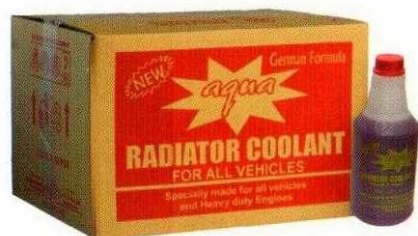

ANTI-FREEZE / RADIATOR COOLANT

Over time, the cooling system of the vehicle will develop scales to gather harmful deposits hence reducing the efficiency of the system causing the engine to run hot. We have chosen a versatile radiator coolant brands such as AL SAFA, AL SAQR, AQUA, COOL-X, MR. COOL, THERMO-COOL and TURBO which meets the requirement of ISO Standards such as ISO14001-2004, ISO18001-2007 and ISO9001-2008.

Its specialized developed formulation keeps the engine cool, protects radiator and head from corrosion and gives vital protection. Our quality products are being used in various countries like Armenia, MENA region and Sri Lanka.

KITCHEN ACCESSORIES

The Kitchen accessories Division in Al Saqr Ind. L.L.C. is managed by our sister concern SAQR MIDDLE EAST BUILDING MATERIAL TRADING CO. L.L.C. which currently represents the brands AQUA, CRYSTAL, DAINAMO and PHOENIX. We cherish a dream of working together with architects, designers, contractors and villa owners. The branch's vision was and is to supply our clients with leading brands of kitchen accessories in a professional and effective manner. Our clients include major restaurants, private residences, public organizations, hotels and resorts.
