

# Delivering results reliability and rock solid dependability

## Oliver - High Pressure Valves

Product Range: Needle Valve, Check Valve, Ball Valve, Manifold Valve & Y-Strainer  
Available in Screwed End, NPT & BSP. Size range: 1/4 to 1"  
Materials: Stainless steel 316/316L. Pressure Rating: 3,000-6,000 & 10,000psi

## Valtec - Stainless Steel Valves

Product Range: Gate Valve, Globe Valve, Check Valve, Y-Strainer & Ball Valve. Available in Flanged Screwed and Socket Weld End  
Size Range: 1/2" to 6"

## AMS Valves - Valves for Industrial Oil & Gas

Product Range: Gate Valves, Ball Valves, Globe Valves, Check Valves, Butterfly Valves & Y-Strainer  
Available in Screwed End and Flange End for the respective sizes.

## Kistenmacher - Valves for Industrial & Gas

Product Range: Gate, Check (Dual Plate, Single Plate) Valves  
Butterfly (Wafer & Lug) Valves & Y-Strainer  
Available in 1/2" to 16" sizes.

## VALVES

Cast Steel Gate, Globe, Check Valves & Y-Strainer  
Size 1/2" to 48" for Pressure Rating ANSI CL. 150 to CL 1500 and PN10 to PN40. Forged Steel Valves in Socket Weld / Treaded (NPT) CL 800 to CL 2500  
Size Range 1/2" to 2". Options available with Actuator also.

## FLANGES

Weld Neck, Slip on, Socket Weld, Threaded, Blind, Lap Joint, Spectacle Blind  
According to ASTM A105, A181, A182 (ANSI Class 150-2500). BS4504/EN1092-1 (PN6-PN40)  
Material - Stainless Steel / Carbon Steel

## FITTINGS

Buttweld Pipe Fittings- Size range 1/4" to 24"  
Pressure Rating - Stainless Steel Schedule #10, #40 and #80, Carbon Steel Schedule #40, #80 and #160, Forged pipe fittings Screwed & Socketweld in A105/ SS316 and 304 for Pressure Rating ANSI 2000, 3000 and 6000 PSI

## HYDRAULIC HOSE & TUBES

Hydraulic hoses of all sizes of the following standards: R1, R2, R3, 4SH, 4SP, R7, R8, R13, Hydraulic Seamless Tubes ranging from 6mm OD to 50mm OD

## HYDRAULIC PRODUCTS

Control Valves, Power Take Off, Hydraulic Filters, Honed Tubes, Pumps, Chromed Bars, Hydraulic Valves, Gauges, Cylinder Accessories, Tube Fittings, Hose Clamps, Winches, Hydraulic Seals

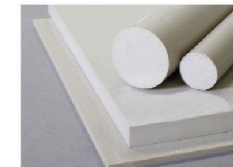

## FASTENERS

All types of Bolts, Nuts, Screws, Studs and Anchor Bolts Made from Mild Steel, Stainless Steel. Grades: 8.8, 10.9, 12.9, A3625, Gr5, Gr8, B7-2H & other International Grades and U-Bolts J-Bolts and L-Type Bolts with Rubber, PTFE & PU Coating

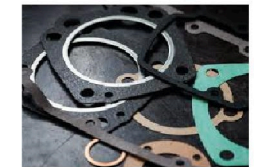

## PIPES

Stainless Steel Pipes Seamless and Welded (ERW) Size 1/2" to 16" in Schedule 10/40/80 Material: 304/L & 316/L Carbon Steel Pipes Seamless and Welded (ERW) size 1/2" to 36" in Schedule 40, 80 & 160. Specs: API5L, API5L-X42, SA106B, SA53B & ASTM A53. GI Pipes in Grade A, B & C Size 1/2" to 10"

## ENGINEERING PLASTICS

Engineering Plastics: Teflon (PTFE)/Nylon (PA) / PVC / PEEK / POM (DELRI) / PP / PU / PE / PVLUM RUBBER: Natural / Silicon / Viton / Nitrile / EPDM / Fluoro Silicon / Neoprene Roads, Sheets, Moduled, Extruded, Machined and Metal bonded Customised Products

## GASKETS

Spiral Wound, Fibre, Metal Ring Joint Gaskets Flange Insulation Kits, Sealing Tapes and Packing. CF, Non Asbestos & Rubber Gasket Sheets. Ring and Flange Gasket and all kinds of Sealing Products
