AL MOOSAWI TRADING (L.L.C)

COMPANY PROFILE

Al Moosawi Trading LLC, established in **1986**, is well recognized and established marine and industrial supplier in the Middle East region. Started from a small office in Deira, Dubai. Al Moosawi has grown into one of the most trusted supplier in the gulf region with more than 35,000 sq.ft. of storage capacity and three offices with more than 30 employees. The main strength of Al Moosawi is its principal inventory which enables us to deliver a vast range of products at any instance of time.

Our product range includes all types of flow control valves, pipes, pipe fittings and other accessories required for marine and industrial applications. Our materials are available in CI, CS, Bronze, Brass, MI and SS with sizes ranging from 15mm to 600mm. Our ISO certified storage and delivery process provides us with best quality in terms of products and operations. Our valves, pipe fittings & flanges comply with BS, ANSI, JIS, DIN & API standards. Our valves stock contain third party approval such as ABS, LR, DNV, etc.

Our offices and our house facilities are strategically located all over United Arab Emirates in order to serve our customers with maximum efficiency. Our enormous buying power and knowledge of the market, and distribution system guarantee maximum product availability. For the past 25 years Al Moosawi group has made significant contributions to various industrial segments onshore and offshore.
