

"Quality and Services that you can trust"

**HYDRAULIC, INDUSTRIAL & MARINE/CARGO HOSES  
FITTINGS, COUPLERS AND SEALS SUPPLIER**

## INTRODUCTION

**HOSEXPRESS MIDDLE EAST LLC** is one of the UAE's leading suppliers of all-round solutions in hydraulics. For more than **18 years** now customers from all industries have relied on the quality and dependability of our products and services.

Our product range includes all types of hydraulic hoses, fittings, adaptors, and industrial/cargo hose supplier for chemical, petroleum, air, & dewatering hose, & any related accessories. All fast moving items are kept in stock to enable us to meet customer's demands, with a delivery commitment of **2 hours** in Dubai, Jebel Ali & Sharjah and **24 hours** for the rest within U.A.E.

We also manufacture different types of Hydraulic & Pneumatic seals using the latest CNC machines to produce Rod Seal, Piston Seal, Oil Seals, Wiper Seals, Guide Rings, Back Up Rings & Chevron Packing in PU, Rubber, Teflon, Silicon, Viton and Bronze from customer specification.

We can also fabricate custom-made special fittings and manifolds in low and high-pressure ratings in steel, stainless steel and brass upon request using our high speed and reliable CNC machines.

Customer Service is of paramount importance to us. We have a fully equipped workshop in Al-Quoz Industrial Area No. 3, Dubai. We fabricate & assemble hydraulic and industrial hoses with fittings in our workshop to ensure the highest standards of our work. Our high standards result in extended life expectancy of equipment, decreased oil seal spillage, reduced down time and the most cost effective solution for you.

In addition, hose assemblies can be tested up to **60,000 PSI** in our workshop for certification.

We wish to associate with your company and wait for an opportunity to assist you and meet your various requirements by getting ourselves enlisted with your esteemed organization

A highly motivated team is at your service for all aspects of hydraulics with flexible, rapid, reliable and equipped mobile workshop with qualified and experienced technician ready for site service **24 / 7**.
