FACILITIES

Welcome to **Al Khaleej Industrial Steel Factory L.L.C.**

A specialist organization offering a wide choice of services and technical support with satisfaction of customer, consistently Quality in Engineering and steel fabrication.

We want to be a Part of your product development process. We have facility to produce advance various Industrial applications based on specially developed technology. We are also ready to develop according to users changing needs.

Our focus to increase efficiency maximizes resources, reduce costs and improve system.

Over 24 year experience and knowledge of international standards, technological changes and industrial systems, we are dedicated to provide the best and economical solutions to our valued customers.

Whatever sector Al Khaleej Industrial Steel Factory LLC. can help

Engineering. i Steel fabrication. infrastructure related MEP installation projects.

General repair and overhauling of industrial equipment & machinery.

30,000 square feet of in house fabricating, under one roof.

Over Head Crane 3 no's Capacity 5 ton each.

CNC Oxy Fuel & Plasma Cutting Systems, 3000 X 6000 X 150mm thk

Thermal Spray Zinc Aluminum Coating

Shearing of up to 3200 X 12 mm.

Hydraulic Press Brake (Bending) up to 6000 X 12mm thk 400 ton.

Plate Rolling up to 3mtr X 50mm & Cone Rolling up to 20 mm thk

Pipe Rolling up to 10"(Channel up to UPN 400mm, I Beam up to IPE 650,

Tube up to 300 X 300mm, Angle up to 200 X 200mm)

Hydraulic Iron Worker 80 ton.

Hydraulic Bending (Pipe up to 4" ,Tube up to 100 X 100mm, Angle up to 100 X 100mm)

Hydraulic Power Presses Capacity up to 500 ton.

Plano miller 6000 X 1200.

Shapers Machine.

Lathes Machine.

Milling Machine.

Bar Threading machine.

Surface Grinding Machine.

MAJOR SERVICES

Al Khaleej Industrial Steel Factory L.L.C. has developed many kinds of process machines along with fabrication and erection work successfully.

Fuel tanks.

Water tanks.

Storage tanks.

Cement Silos.

Conveyers.

Mixers.

Pressure Vessels.

Over head Cranes.

Cold Storages.

Concrete moulds

Car parking Sheds.

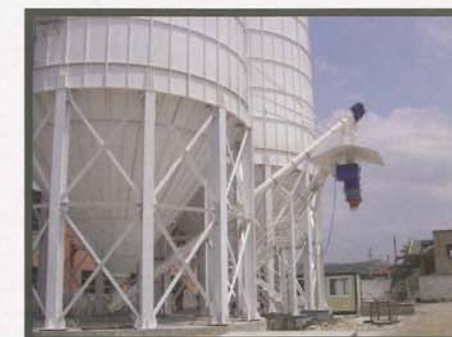

Induction Furnace.

Water Chillers

STP Plant Fabrication.

Trailer Mounted Tanks.

Light & Heavy Fabrication (Stainless Steel, Mild Steel & Aluminium)

TECHNICAL MAN POWER

Graduate Engineer	02 No's	Machinists	02 No's
Experienced supervisor	02 No's	Dye makers	02 No's
Steel Fabricators	08 No's	Steel Erector	08 No's
Welder	13 No's	Technical Helpers	12 No's

QUALITY CONTROL

Certified material are used exclusively and documented with each part release. Quality Control programs are adhered to for all customers. Our Quality Control manager is on the Floor Providing reports during the manufacturing process. Inspection is continuous from receiving materials to bundling and shipping.

Designing & Cost Saving Solutions

Al Khaleej Industrial steel Factory LLC has in-house capabilities to handle all aspects of steel fabrication and erection. Our Engineering Department handle the preparation of the shop detail drawings using computer aided design drafting and geometric calculations. Communications and drawing submittals are processed electrically via our FTP site at considerable savings of bothtime and expense.

Building Trust worthy Relationship

Valuing our customers and meeting their needs.
Respecting the dignity of all co-workers and their families.
Energizing our teamwork with participative management.
Recognizing and rewarding the accomplishments of our co-workers. Strengthening Our partnership with suppliers.
Contributing to a world beauty and prosperity and peace.
