## Company Profile

### Introduction :

**A to Z steel Co. LLC** is a 2 decade old company. ( Formerly, National Steel Co., LLC until 16-6-2013 ). Our parent company Al-Jazeera Ambition Factory Co, KSA ( Website : [www.jafcosteel.com](http://www.jafcosteel.com) ), with Indian owners acquired National Steel Co on 17-6-2013 & name got changed to **A to Z Steel Co. LLC.**

### Our Standard products made of Low Carbon - Mild Steel (Commercial grade) include :

1. Flat Bars from 12 X 3 mm to 40 X 5 mm
2. Round Bars from Diameter 10 mm to 14 mm
3. Square bars from 9.5 mm to 16 mm
4. Deformed Bars Diameter 8 mm

### Our Value added product :

- Shuttering clamps from 4 mm to 8 mm thick & 2.5 feet to 4 feet long.

**Import Substitution :** Most of the Shuttering clamps are currently being imported in the UAE. Our offer would provide as an excellent Import substitution & also save valuable costly rented space as they are importing in full Containers & Stocking.

### Raw Materials :

We procure the following Mild Steel Raw Materials from Scrap vendors : Diameter 25, 32, 40, 50 mm scrap re-bars, Plates above 15 mm thick, Pipes more than 15 mm thick & Diameter more than 250 mm. Payments are normally paid 100 % against delivery.

### Finished Goods :

Our finished goods mentioned above are sold to Building Contractors, Grill / Hand-rail / Gate / Steel Door fabricators, Steel bar stockists & Building Materials traders. Payments are generally received with COD – Current Dated Cheque basis / Against Proforma Invoice.

**Transportation :** Customer Scope.

### Competition :

Even though we have about 4 similar mills in UAE, the number of varieties of sizes produced by us is more comprehensive & we also do offer custom built sizes for as low as 20 tons of minimum order quantity, which makes us stand out in the market to cater to the niche segment for variety of sizes.

### Conclusion :

A to Z steel Co. is committed to provide high quality, wide range of Standard & Custom built products meeting On-Time delivery.
