## About us

*ZEE Industries L.L.C was established in the year 2000 in Dubai, UAE with lot of experience in the manufacturing sector. Since the time we established as a manufacturer, We are well known for quality metalworks across the region, has a well-established reputation for supplying metal (steel & aluminum) to many iconic and unique projects in Middle East.*

*As one of the leading player in the UAE Market, We are known for providing full-fledged metalwork products that are diversified to components for any manufacturer OEM's, Non-structural metal works, aluminum & glazing, internal and external architectural metal works combined with innovative and value-engineered solutions tailored to each and every client's unique requirements.*

# Journey

**2000**

The First Company In The UAE Market To Introduce Waterjet Technology

**2004**

Al Zayani (Former name) Waterjet Cutting the largest cutting service provider with multiple machines

**2005**

Started manufacturing Waterjet cutting machines in collaboration with German technology

**2012**

Addition of services to Industry's Growing demand into engineering

**2015**

GMT International: A trading division to fulfill the market's requirements for high quality and special grade materials and state of art machinery to the manufacturing sector

**2017**

Quality Fabrication Gets a Boost with our 1st Laser Machine

**2018**

Introduced, latest Technology Lasers and CNC Bending from Amada, Japan

**2022**

Introduced the highest power laser in the market

**2022**

State of the art powder coating and finishing facility in UAQ

*We're proud in being one-stop solution provider from design to execution. With our new Glass and aluminum division, we're truly unique in the market. We strive to provide the best solution and believe in spreading happiness*

# Trusted partner for all your manufacturing needs

## Services we offer

- Custom made metal products
- Decorative Facade Solutions
- Aluminium & Glazing
- Architectural metal Works
- Metal Fitout solutions
- Handrail supply and Installation
- Project Planning & Execution

## Facilities

- High-Power Laser cutting Machines
- Water jet Sweden cutting machines
- Amada Hybrid CNC Bending
- CNC Machining
- In-house Powder Coating Plant
- Engineering & Design Team
- Fabrication & Installation team

Metal Forming

# No Substitute for Quality

Our Ultra High-Power Lasers is known for its precision and processing various material from 0.2mm to 35mm thick

Amada's 130 Tons Press brake (Hybrid CNC Bending) makes the complicate bending looks easy and ready for production

Material type and thickness is not a limitation for our high productive Water jet Sweden machine

Our high quality Custom fabricated products are the result of best-in-class equipment in the right hands of our experienced engineering team

We offer metal and aluminum powder coating for a wide array of custom specified requirements in the surface-finishing Industry. Our coating method it is flexible, durable, highly protective

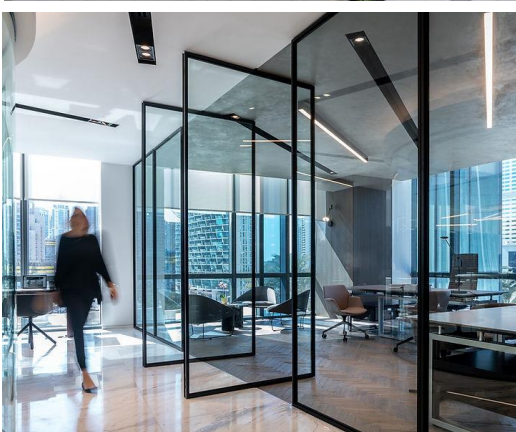

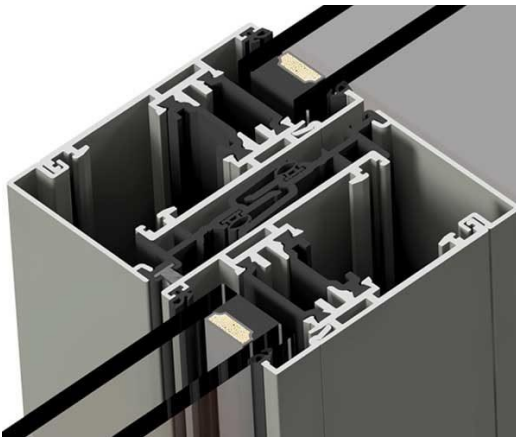

# Aluminum and glass work

At Zee Industries, we design, engineer, fabricate and install a variety of aluminum systems, automatic doors, windows, canopies / pergolas, skylights, ACP claddings, louvers, handrails, cast aluminum, glass partitions, and many products for a wide range of industries within our integrated business to meet the demands of designers, building owners and developers. We are specialized in slim line profile from Rabel systems.

# Retail Projects

Zee Industry take pride in their Metal fit-out works that transform retail spaces from brick-and-mortar stores to contemporary spaces. We strive to give your outlet a retail design that makes shopping memorable. Zee boasts of over two decades of experience which make us one of the rare retail fit out companies in Dubai to offer solutions from design to execution. From designing a new store to refurbishing existing stores, we provide full turnkey solutions for retail execution. Our recent addition to our portfolio includes Prada Kiosk in Dubai mall, multiple Jamie Oliver restaurants in UAE, Saudi, Athlete's Co etc.
