www.autonobeltrd.com

AutoNobel Trading L.L.C. is an industrial trading company having its offices and a showroom in Heart of Deira, Dubai, United Arab Emirates. The Company specializes in supplying plant machinery, equipments, conveyors, components and spare parts for stone-crushing plants, cement factories, sand washing plants, concrete batching plants, automatic block factories, ceramic factories, fertilizer factories and the material handling requirements in various other industries in the GCC, Middle East, and African countries.

Our manufacturing and warehouse facilities are conveniently located in Al Qusais, Dubai and Sharjah Emirates. Most of the standard products we offer are delivered ex-stock while the non-standard and customized products are manufactured/imported against specific orders received.

We are approaching you with a keen desire to enter into a successful and long business relationship.
