# NAJA SANITARY WARE

## TRADING Co. L.L.C

Established in Sharjah in 1986, we are a leading supplier of complete sanitaryware and plumbing solutions. A pioneer in the industry, we cater to the industrial as well as the domestic customers by offering both wholesale and retail options. Be it large commercial projects or individual purchases, we have the solutions and the products for all your sanitaryware and plumbing needs.

Our commitment, quality, and customer service have helped us maintain a solid standing in the industry for decades. With four outlets, two in Al Ghuwair Market, the busy business hub of Sharjah, and other two in Industrial Area no. 03, Al Sajaa, and a warehouse in Industrial Area no. 10, we have a strong presence in Sharjah and the Northern Emirates.

# Vision

At Naja Sanitary Ware Trading Co. L.L.C our vision is to be the top one-stop solution for sanitaryware and plumbing solutions in the UAE.

# Mission

To offer our customers the largest selection of quality sanitaryware and plumbing products from globally renowned brands all under one roof.

# Core Values

Our business thrives on commitment, quality, and customer service.

We are committed to providing our customers the right products, and in a timely manner. Gauging our customers' needs, we have diversified our product line to offer not only sanitaryware and plumbing solutions but also water heaters, water tanks, water pumps, manhole covers, electrical lights, and fittings.

Our four store locations and a centralized warehouse ensures you get the products whenever and wherever you need them.

While the markets and the customers' needs have changed, one thing that remains constant is the quality of our products.

We stand by the quality of all our products and provide only the best to our customers. It is the unmatched quality of our

products that has enabled us to establish and maintain an outstanding reputation amongst our clientele.

Another integral part of our business is our relationships with our customers. Exceptional customer service has helped us maintain long-lasting relationships with everyone. Our after-sales support guarantees that our customer service and relationship with the customers extend well beyond the purchase.

# Our Products

We carry a variety of sanitaryware and plumbing products from major brands in Germany, Spain, Hungary, UK, India, Italy, and the USA. Whether you are starting a new project, need products for maintenance, or need customized products, we have an extensive array of options for you to choose from. In addition to our existing products and product lines, we also customize products to meet specific needs of our customers.

While our range of products is huge, below are our core product lines:

- **Sanitary Wares**
- **Bathroom / Kitchen Mixers & Faucets**
