About Us

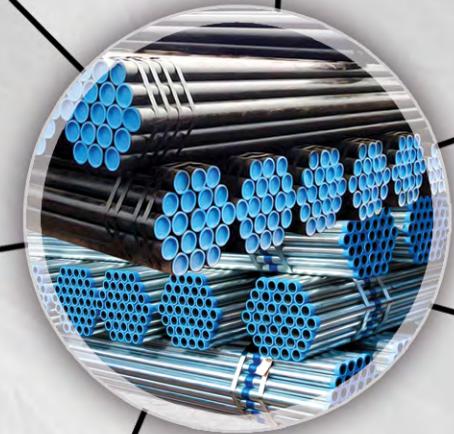

Al Omraniya Trading LLC is a leading stockist and distributor of high quality pipes, fittings and related construction materials to civil infrastructure, commercial construction, marine and oil and gas projects in UAE. Founded in 1995 by partners with over 40 years' experience in the Middle East construction industry, the company has established itself as a reliable partner and supplier of high quality products to its customers.

Our highly qualified and experienced team aim to add value to our customers by acting with honesty and integrity and advising on the most effective solutions to meet our customers' requirements. As one of the leading pipe and fittings stockists in UAE we are able to leverage our experience with a wide range of manufacturers for both standardized as well as customized products to ensure that our customers are able to consistently benefit from high quality products at reasonable prices delivered on time.

Through strict quality control procedures, both in UAE and through visits to our suppliers' manufacturing sites, we are able to ensure that our customers consistently receive products to the exact specifications required for their projects.

At **Al Omraniya Trading LLC** we believe our customer's satisfaction is derived not only from the quality of the products that we supply but also from the entire customer interaction process from enquiries to orders to delivery. We continually strive to improve processes throughout our organization keeping customer satisfaction as our foremost aim.

It is our goal to develop long term relationships with all stakeholders through open communication and mutual respect.

STEEL PIPES

We maintain a large stock of both **Welded (ERW)** and **Seamless** pipes for ready delivery to our customers. We are the official distributors for **APL Apollo** and **Ajmal Steel** and also stock other local and GCC origin pipes approved by civil defence.

Products	: ERW and Seamless
Material	: Carbon Steel
Sizes	: ERW: $\frac{1}{2}$ " – 18", Seamless : $\frac{1}{2}$ " – 24"
Wall Thickness	: Sch 10, Sch 40, Sch 80, Sch 160 & above, XXS
Standards	: ASTM A106/106M, ASTM A53/53M, API 5L, API 5CT
Finish	: Black and Galvanized
Applications	: Fire Protection, HVAC, Oil Field, Chemical, Municipal, Marine

ASTM A53 Schedule 40 pipes are UL listed and approved by UAE Civil Defense Department for use in fire protection applications.

THREADED FITTINGS

We are one of the largest authorized distributors and stockists of BIS Pipe Fittings in the Middle East. BIS fittings are manufactured to ASTM, EN and BS standards and are well recognized for their superior quality.

Products

- : Elbows, Street Elbows, Reducer Elbows, Equal Tees, Reducer Tees, Crosses, Couplings, Reducer Couplings, Bushings, Hexagon Nipples, Reducer Hexagon Nipples, Plugs, Caps, Union, Nipple Sockets

Material Joining

- : High Grade Galvanized/Black Malleable Iron

- : Threaded

- : $\frac{1}{2}''$ – 6"

Sizes Standards

- : ANSI, ASTM, BS, EN, DIN

Applications

- : Fire Protection, HVAC, Oil Field, Chemical, Municipal, Marine

HIGH PRESSURE STEEL FITTINGS

We are a distributor and stockist of Both-Well high pressure forged steel fittings. Both-Well fittings have been approved by major oil and gas, marine and chemical projects throughout the world due to their high quality standards and reliability.

Products

- : Elbow, Tee, Coupling, Half Coupling, Cap, Plug, Bushing, Union, Swage Nipple, Bull Plug, Reducer Insert, Hex Nipple, Street Elbow, Cross

**Material
Joining
Pressure**

- : Carbon Steel (Black or Galvanized), Stainless Steel
- : Threaded, Socket-weld, Butt-weld
- : Threaded Class 2000-6000, Socket-weld Class 3000-6000, Butt Weld Sch 40/80/160/XXS

Sizes

- : 1/8" - 4"

Applications

- : HVAC, Oil Field, Chemical, Marine

GROOVED FITTINGS

We are proud to have a more than 20 years association with National Fittings and remain one of the largest authorized distributors and stockists in the Middle East.

Grooved fittings are reliable and faster to install than welding, threading or flanging resulting in lowest installed cost. National grooved fittings are recognized around the world for their engineering excellence, product quality and performance reliability and are considered the first choice in projects of all scale.

Grooved Products: Rigid couplings, flexible couplings, flanges, Mechanical branchlets, Elbows, Equal Tees, Reducer Tees, Caps, Concentric Reducers, Eccentric Reducers

Material : Ductile Iron, Stainless Steel

Sizes : 1"-24" depending on product.

Standards : ASTM A536, ASTM A183, ASTM A446, ASTM A194, NFPA 13, ANSI B31.1, ANSI B31.9

Applications : Fire Protection, HVAC, Oil Field, Chemical, Municipal, Marine

National grooved fittings are widely used in major landmark projects and are approved by the UAE Civil Defense Department for fire protection applications.

We also stock **100Tong** premium quality grooved fittings manufactured in China.

100TONG®

SEAMLESS BUTT-WELD FITTINGS

We stock a wide variety of high quality seamless butt-weld fittings manufactured by internationally reputed companies. We are an authorized distributor of TTU fittings and also stock high quality fittings of Italian, British, Indian and Chinese origin.

Products	: Elbows, Equal Tees, Reducing Tees, Concentric Reducers, Eccentric Reducers, End Caps
Material	: Carbon and Alloy Steel, Stainless Steel
Sizes	: $\frac{1}{4}$ "-24" *,
Wall Thickness	: Sch Standard - XXS
Standards	: ANSI B16.9, ASTM A234 WPB, MSS SP-43, MSS SP-75, ASTM A403
Applications	: HVAC, Oil Field, Chemical, Municipal, Marine

*We are also able to supply custom size and design butt weld fittings on request

TTU and Benkan and above mentioned origins butt-weld fittings have been approved in a wide variety of projects both large, medium and small scale where end users recognise the importance of the high quality manufacturing, finish and performance reliability of these products.

FORGED FLANGES

We stock a wide array of forged flanges in plain, black and yellow finishes. We take great care to ensure that the flanges supplied to our customers are in full compliance with or exceed the particular standard specifications.

Products	: Slip-on, Welding Neck, Blind, Lap Joint, Socket Welding, Plain, Threaded, Orifice, Nozzle.
Material	: Carbon and Alloy Steel ASTM A105, ASTM A182, ASTM A350, ASTM A266, ASTM A336
Sizes	: $\frac{1}{2}$ " - 24" **
Standards	: BS4504 (PN6-PN40), ASME B16.5 (Class 150 – Class 900), ASME B16.36, ASME B16.47
Applications	: HVAC, Oil Field, Chemical, Municipal, Marine

**** We are also able to supply custom size and design forged flanges on request**

VALVES

We stock a wide variety of valves manufactured by internationally reputed companies.

- | | |
|---------------------|---|
| Products | : Ball valves, Float valves, Spring Check valves, Double Regulating valves, Y Strainers, Gate valves, Compression Gate valves, Foot valves, Angle valves, Pressure Reducing valves, Butterfly valves, Safety Relief valves, Solenoid valves, Globe valves, Isolating valves, End stop valves, Bibtaps |
| Material | : Bronze, Brass, Copper, Cast Iron, Stainless Steel |
| Sizes | : ½"-8" depending on product |
| Applications | : Fire Protection, HVAC, Oil Field, Chemical, Municipal, Marine. |

***We are able to procure larger size valves on request through our extensive network of suppliers.**

PIPE CLAMPS AND THREADED RODS

We stock a variety of hanging clamps and threaded rods for use during the installation of pipes.

Products	: Sprinkler clamps, Hanging clamps, Clevis hanger, Nail clamps, Threaded rods
Material	: Clamps: Galvanized Steel. Threaded Rods: Carbon and Alloy Steel
Sizes	: Clamps: $\frac{1}{2}$ "-8". Threaded Rods: 8mm-14mm in lengths of 2-3m.
Applications	: Fire Protection, HVAC, Oil Field, Chemical, Municipal, Marine.

Sprinkler clamps and Clevis Hangers are UL listed for Fire Protection Applications.

Sunita Export

MANHOLE COVERS

We supply high quality **cast iron** and **ductile iron manhole covers** for use on roads, pavements, commercial buildings and residential buildings. Manhole covers are classified into different weights and sizes according to intended usage and customer requirements.

OTHER PRODUCTS

We sell a variety of other materials used in general construction such as Jute, Shellac, Boss White, Flexible Connectors (flange and union) and nuts, bolts and washers.

Wire Nails

Steel Nails

Tarpauline

Safety Shoes

Shuttering Clamps

Stretch Film Manufactured
to various specifications

Coverall

Wire Mesh

Tie Rod, Plate and Nut

HARDWARE & SAFETY PRODUCTS

We stock a wide variety of hardware and safety items. Through our extensive supplier relationships we can cater to any need. Please contact us with your requirement.

INDUSTRIAL PRODUCTS & SERVICES

We are stockists and suppliers of v-belts, conveyor belts and chevron belts of various specifications as well as their related accessories such as rollers, rubber chutes and gearboxes to all types of industries from crushers and readymix plants to consumer goods manufacturers and supermarkets.

Our knowledgeable and reliable team are also able to provide a variety of high quality services such as belt joining, drum lagging, and chute lining at times that will minimize the down time of your machinery.

PROJECTS

We have supplied pipes, fittings and other construction materials to many prestigious projects in UAE ranging from small to large scale. We work closely with consultants, contractors and final clients to ensure that project requirements, from specifications to delivery, are met in the most effective manner possible.

Some of the major projects in which we have supplied products include:

- Al Maktoum International Airport, Dubai.
- Dubai Metro.
- Dubai Festival City.
- Dubai Health Care City.
- Dubai Mall.
- Emirates Mall.
- Burjman Centre.
- Amity University on Plot No.: DIAS-D-003 at DIAC, Dubai.
- B+G+3 office building on Plot No.: C/P72 at Health Care City for City Pharmacy.
- Dubai Farm - Zabeel, Park, Dubai, UAE.
- Emirates Headquarters for Emirates Airlines.
- Emirates National School - MBZC.
- Executive Bay Tower A & B.
- GEMS United Indian School.
- Phase V (FZP5-02) & VI (FZP6) Office Building for DAFZA.
- Residential Building, Marsa, Dubai Plot No.: 392-435.
- Residential Building, Plot No.: 134-1413 Al Mamzar
- Residential Tower A & B on Plot No.: C005-009 at Tecom Dubai.
- Ruwais Housing Complex expansion Phase III, Construction of New Hospital.
- Sheikh Khalifa Bin Zayed Al Nahyan Masjid Project, Al Ain.
- Workers Camp Al Mafraq Industrial(F1) Plot(391).
