GRP Water Tank

GRP Water Tank

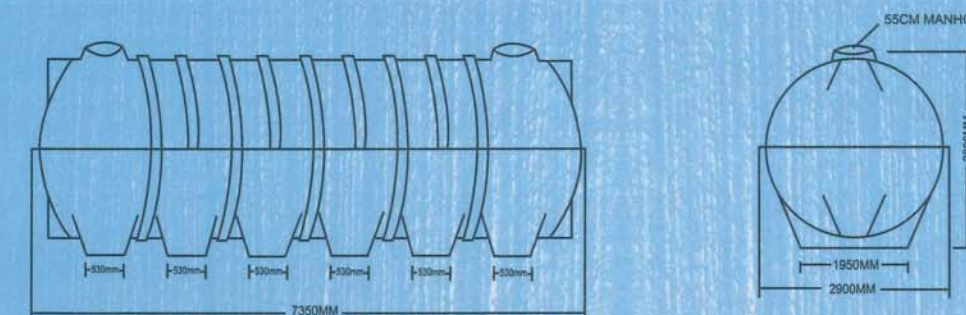

35000 Gallon Vertical GRP Tank

Polyethylene Water Tank
(Star Type - Vertical)Polyethylene Water Tank
(Horizontal)

An ISO 9001 : 2008 Certified Company

G.R.P. WATER TANK CAPACITY 10000 U.S. GALLON

SPECIFICATION CYLINDRICAL HORIZONTAL G.R.P. TANK

INTRODUCTION Our G.R.P. Tanks are manufactured with the experienced hands and will meet all our tanks requirements. We make tanks for different purpose like the storage of Drinking water, Sewage water, Oil chemical etc.

SHAPE Attractive Cylindrical Horizontal shape, specially designed to suit the capacity and long life.

SURFACE Smooth and shining Isophthalic white Gelcoat finishing for inner surface and waxed gelcoat coating for external surface in white colour.

ANTIFUNGUS LAYER A middle layer is provided with advised chemical to prevent fungus and Ultra Violet Rays.

JOINTS All the joints are done by G.I. Nut Bolts covered with Gelcoat coating.

STRUCTURE 1mm Thick gelcoat inner layer finishing. A surface Mat is provided to protect inner coating. Adequate layers of fibre mat and woven roving layers will be applied according to the capacity of the tank using required Resin and chemicals to suit the usage of tank. The middle layer will be for Anti Fungus Treatment. The over coat will be given with waxed coating to get a clear look.

EXTRA FITTINGS Inlet, Outlet, Drain and over flow with pvc pipe will be provided free of coast on request.

ERECTION The tanks should be seated in a flat surface and in proper level so that the total load will be equally distributed on each leg.

AWARDS FROM INTERNATIONAL AGENCIES

editorial office

trade leaders' club

Madrid, December 20th 2004

Attn. General Manager

Dear Sir,

We are very glad to let you know that our Committee for the Selection of the 26th INTERNATIONAL TROPHY FOR TECHNOLOGY AND QUALITY (New Millennium Award), a prize yearly granted by our publishing house in collaboration with the TRADE LEADERS' CLUB in order to distinguish those companies whose capacity of innovation allows them to be at the forefront due to the quality of their products and services, has chosen AL JAWDA FIBRE GLASS INDUSTRIES to receive the 2005 award.

**ACTUALIDAD**

Revista de Turismo, Industria y Comercio
Magazine of Tourism, Industry and Commerce

Madrid, 8th June, 2005

Dear sirs,

This year, "ACTUALIDAD", a Tourism, Industry and Commerce Magazine will be celebrating the presentation of the above international Award, exclusively created as prize in recognition to only one company by sector and region, for their splendid business management and excellent quality and prestige.

For this reason, our Selection Committee has the honour of awarding:

AL JAWDA FIBRE GLASS INDUSTRIES

the **Actualidad 21st Century International Award "Excellence in Business Management 2005"**. This prize will afford your company greater fame and image with your clients, presenting it as recognition of success and symbol of triumph.

CLUB LIDERES DEL COMERCIO

Madrid, 3rd April 2007

Attn. General Manager

Dear Sir,

The Selection Committee of the XX^{ist} INTERNATIONAL EUROPE AWARD FOR QUALITY - NEW MILLENNIUM AWARD, yearly granted by our publishing house and the TRADE LEADERS' CLUB, have found AL JAWDA FIBRE GLASS INDUSTRY worthy of receiving the prize this year. Their decision is based on information provided by the 7.000 entrepreneurs members of the TRADE LEADERS' CLUB, coming from 112 countries.
