

# COMPANY PROFILE

**HOTLINE TRADING L.L.C** is a leading supplier, installer and a turnkey solution provider of cost effective package boiler systems and after market support.

The company operates quality systems designed to support the highest levels and customer satisfaction and continuous improvement of business performance.

## **TURNKEY CAPABILITIES**

**HOTLINE TRADING L.L.C** are one of the leading Engineering company dealing with, **Steam boiler, Hot water boilers, Calorifiers, Water tube boiler, Incinerators, Furnaces, Thermic oil Heaters , Heat Exchangers , Valves, Heat Pumps , Burners , and one of the leading turnkey supplier for , Steam generation equipment , Hot water generating plants** etc, with activity throughout the world..

We specialize in designing the steam and hot water systems for laundry and process industry. Our engineers are well experienced in their fields with post graduation qualifications and with relevant Industrial experience earned through many years.

## **PRODUCTS**

- Oil, gas fired, steam and hot water fire tube boilers from 50kg/hr to 25,000kg/hr. Pressures upto 25 bar. **(Make Represented – BYWORTH BOILERS UK & PRECISION USA)**
- Electric boilers **(PRECISION USA)**
- Oil and gas fire steam and hot water tube boiler (D type, A type, O type), high temp hot water boilers upto the pressure of 1500 psig. **(RENTECH BOILER SYSTEMS USA)**
- Waste heat recovery boilers (fired and unfired) **(RENTECH BOILER SYSTEMS USA)**
- Condensing & Non condensing Boilers **(De-Dietrich France)**
- Domestic Water Cooling system **(CALOREX UK)**
- Burners (oil and gas) **(BENTONE SWEDEN, POWER FLAME USA, DUNPHY UK, )**

- Boilers accessories like, low water cutoff systems, Pressure controller, burner controls etc (**HONEY WELL USA, ITT MC DONEL MILLER**)
- Steam accessories, valves and fittings (**ARMSTRONG USA, YOSHITAKE JAPAN, ARI GERMANY, SAMSON GERMANY**)
- Boiler tubes
- Hot water Calorifiers (**PRECISION**)
- Solar systems (**PRECISION SOLAR GREECE & DE-DIETRICH FRANCE**)
- Gas fired hot water generating plants (**PRECISION**)
- Chilled Water Buffer Tanks & Air Receivers (**Precision India**).
- Expansion Tanks and Air Separators (**Amtrol USA / Precision India / AQUASYSTEM ITALY**)
- **Air Separators ( AMTROL , PRECISION)**
- Hot water Heat pumps (**CALOREX UK/ CLIVET ITALY**).
- Stainless steel Chimneys ( **BOFILL SPAIN, SCHEBLER USA**).
- Air Compressors (**Parise Italy**)

To support the product range we have a project management capability for Turnkey type projects which can involve the supply of boilers, M & E Services, Electrical and civil work and after Sales services.
