

## ACTIVITIES

Sr. No.	Description
1.	GARBAGE CHUTE SYSTEM (AUTOMATIC & MANUAL SYSTEM)
2.	<p>ALUMINIUM WORK AND ALUMINUM COMPOSITE PANEL CLADDING (HSM BOND)</p> <ul style="list-style-type: none"> <li>☛ Aluminium Composite Panel Cladding for Column</li> <li>☛ Aluminium Composite Panel Cladding for Canopy and Pergola</li> <li>☛ Aluminium Composite Panel Cladding for Wall Cladding</li> </ul>
3.	<p>STAINLESS STEEL WORK</p> <ul style="list-style-type: none"> <li>☛ Stainless Steel Cladding Column</li> <li>☛ Stainless Steel Cladding for Canopy and Pergola</li> <li>☛ Stainless Steel Wall Cladding</li> <li>☛ Stainless Steel Decoration Work</li> <li>☛ Stainless Steel Kitchen Equipments</li> <li>☛ Stainless Steel Structure</li> <li>☛ Stainless Steel Handrail for Staircase</li> <li>☛ Stainless Steel Handrail for Ramp</li> <li>☛ Stainless Steel Handrail for Balcony</li> </ul>

Dear Sirs,

We introduce ourselves as one of the leading trading and manufacturing companies in the United Arab Emirates. The company was established in the year 1993. The keen interest of owners and their vision led the company to its prominent position in a competitive niche market all kind of stainless steel mild steel and area specification trading.

The company has a well-furnished office measuring 6000 sq. feet that serves as the head quarters with an area of 40000 sq. feet warehouse incorporating a well – designed stacking system for easy identification.

### AL HASM

Is a link in the chain of national endeavor to develop an indigenous industrial base. Established in the U.A.E., the company caters to a wide spectrum of industry: construction, catering, hotels and health services and steel structure providing high quality metal products manufactured on state of the art machinery under the supervision of highly skilled Engineers & Fabricators.

### AL HASM

Have a manufacturing facility, design capability and professional competence to meet customers' requirements inc terms of design, quality, price & safety.

Having established a name as manufacturers of stainless steel products to customer's specifications,

**AL HASM** is now embarking on an ambitious program to widen its products range.

### Four Pillars Were Always At The Basis Of Our Success:

- ❖ Offering the highest quality tested and approved products complying with international performance and quality.
- ❖ Designing products in total conformity with the imperatives of hygiene, safety & aesthetic
- ❖ Maintaining a reliable after sale service operation with factory trained technicians and an adequate stock of spare parts.
- ❖ Updating our supplies with the most modern technology.

Is a leading and specialist establishment in the field of metal fabrication in all kinds and sizes specially the Stainless Steel and AL. and galvanized steel, under the supervising of a team of highly qualified engineers and technicians and the existence of newly machines, so to extend to high levels of products in both designs and quality, to follow the civilization development all over the world.

**AI HASM Est. has several production lines, such as:**

- A) Internal & External Decoration, which consists of
- ☞ Columns & buildings gates cladding of stainless steel of all designs & sizes
  - ☞ Also it includes the handrails & the false ceilings.
- B) The production of kitchens, made of stainless steel, aluminum and PVC including the display units, coolers etc.
- C) The manufacturing of warehouses, parking umbrellas, transmission towers in addition to all metal works.
- D) In the first **AI Hasm** was known in manufacturing and installation of Garbage Chute Systems as highly standards and as the requirements of the clients as:-
- The washing system either automatic or manual.
  - The operation of the doors and all components.
  - The existence of garbage compactor, sanitizing unit etc...
- E) In addition to all what mentioned above, we prefer to classify ourselves as metal fabricators for any product, of any material ...

**AL HASM TECH. METAL SUPPLY**

Always puts in mind that keeping on the highest quality and performance is the best way to satisfy the market needs and client requirements. It is a fabrication factory of all kinds of metals for all kinds of products to satisfy the recent needs of the market and clients, it was established under the supervising of motivating staff of engineers and well expert technicians.

## Garbage Chute & Steel Structure Projects

Project Name	Contractor	Consultant
3B+ G + 4P+44+1M at Jumairah lake Tower	S.S. Lootah Contracting.	Al Gurg Consultant.
(B+G+10+GYM) at al nahda 2 –Dubai. For Mr. rasheid B.R.al jumair.	S.S. Lootah Contracting	Al Isre Consultant.
G+34 at al khan –etahd rood.	Al Wathba Contracting.	Mazzay Consultant.
(Al tawein rod RAK) school.	AL Kulaib Contracting.	Al Mumair Islami Consultant.
G+8 storey building at al suwan Ajman. For Mr. shafqat Husain shah.	Al Sunds contracting.	
G+4P+22+Heliped at al Qassimy for Mr. Hassan hamady.	AL Nasriya contracting.	
G+12 at al nahda 2 –Dubai for Mr. fadlou brather.	AL Madar engineering contracting.	
G+4 at al Niamey Ajman.	Ideal building contracting.	
G+4 at al krama.	Mr. Moh'd abduh.	
G+3P+20 at al nad al Qassimy –sharjah. for H.H sheikh Abdullah bin moh'd al Qassimy.	AL Mawarid contracting.	
G+4 at al suwan Ajman. For Mr. abdul rahman omran.	AL Fayha contracting.	AL Madaen consulting.
G+8 at al nabba'a –sharjah.	National cont and transport.	
B+G+11 at al nahda 2 Dubai.	Amlak contracting.	Al Ajmi Consultant
Project Name	Contractor	Consultant
G+9 at al musifah abu Dhabi. For Mr. Rashid darwish.	Gulf Precast contracting.	Tamer engineering consulting.

G+4 at Ajman al Niamey.	Veinous contracting.	
G+5 X 19 Building dunes village residential complex –DIP Edara project managers.	UNEC.	Al falasi and partners consulting.
(G+21) (G+25) at DEC tower at marina – Dubai.	Deeraj and east coast contracting.	
G+3 at al muwaileh –sharjah for Mr. shakhah moh'd bin sultan al Dhaieri.	AL Imad contracting.	Adnan saffrini consulting.
G+3 at al muwaileh –sharjah for Mr. saeed obeid al leim.	AL Imad contracting.	Adnan saffrini consulting.
G+14 X 5 at Dubai sport city. For falak properties.	UNEC.	QHC architects and engineering consulting.
G+4 at al murar –Dubai. For Mr. Hussein ahmed lootah.	Rotana contracting co.	Al Majal engineering consulting.
G+2P+10 at al nahda –Dubai.	Al Montasir contracting.	
G+7 at al nahda –sharjah.	Al Montasir contracting.	
G+8 at Niamey –Ajman.	Al Baydhani contracting.	
G+3 at muwaileh-sharjah.	Amreet building contracting.	Horizon consulting.
G+2 at meysloun –sharjah.	Amreet building contracting.	Horizon consulting.
G+5P+25 at al majaz .for Mr. shareef al fulizy.	Al Zamalik contracting.	Gulf consulting.
Al Doura tower –al majaz.	Dubai tower contracting.	Horizon consulting.
B+G+12 at al nahda 2 –Dubai. For Mr. ahmed bin shafar.	Al Shafar national contracting.	Al Isri engineering consulting.
<b>Project Name</b>	<b>Contractor</b>	<b>Consultant</b>
G+4 at Ajman.	Mr. ahmad kousa .	Al Alima consulting.
G+4 at Ajman. For Mr. seif al dhari.	Jabel arafa contracting.	
G+5 at al sawan –Ajman.	Quality house contracting	Adnan saffarini consulting.

G+4 at al Niamey–Ajman.	Malallah hasan baniyaas.	
G+4 at al nabba'a for Mr. hamad matar.	Bosco contracting.	
G+3 x 3 at al shuwheen –sharjah.	Al Ilham building contracting.	
G+10 at al shuwheen –sharjah.	Al Ilham building contracting.	
G+M +3 at al ain (Plot No. 106)	Al Rawafid engineering co.	
B+G+6+R Office building at DIB (Plot No. 598-1196)	Modern executive system contracting.	
G+4 at Ajman.	Al Hadeeb contracting.	
G+4 at al bu taina.	Sharjah national contracting.	
G+3 storey building industrial area.	Amzoon contracting.	Diminution consulting.
