Power & Lighting Solutions

Hermes Electric built its initial strength on its Trading Division being the official distributor for top power management and lighting brands such as **Schneider Electric, Legrand, Socomec, Creo, Targetti, Tekpan, Auta, Tense, Himel.**

Over the years we have grown in leaps and bounds and have consolidated our strengths by having showrooms at strategic locations in the region.

ACTIVITIES - PANEL BUILDING

Under the franchising agreement with Schneider Electric and EATON, Hermes Electric Switchgear Manufacturing Division provides **high quality low voltage switchgear assemblies, motor control centers and related services.**

The company offers comprehensive services related to the design and implementation of power and control systems ranging from **residential and commercial installation to large industrial process plants.**
