COMPANY PROFILE

# ABOUT US

Emirates Décor was established in 1990 in The UAE, with a representative office in London, and is today the leading custom made furniture manufacturer and global interior design company in the UAE and the Middle East.

We design, manufacture and install bespoke projects for our clients across the world, with a focus on quality, innovative design, and impeccable delivery.

Having executed a wide array of unique turn-key projects across the world, we essentially translate the vision and lifestyle of our clients into a truly unique living or working space through innovative design & unique style.

We pride ourselves in offering the highest quality and standard of unique customized solutions and best-in-class service through a combination of visionary design concepts, unique materials, complex manufacturing techniques, innovative lighting, and efficient installation. We are continuously pushing the boundaries and we are driven to be the ultimate choice in all fields of luxury.

From simple briefs to complex guidelines, our team of over 125 multi-lingual and international skilled professionals and high caliber creative designers, are always ready to provide the absolute best professional & technical support, across all disciplines from concept and design right through to final project delivery.
