HAROON LABELS INDUSTRIES LLC
هارون لصناعة اللاصقات ذ.م.م.

Haroon Labels Industries LLC ; Ajman is a ground breaker in Label Industry providing labelling solutions to a large price sensitive clientele database. We have a full printing bureau department offering a variety of custom made die cut labels and pre-printed labels of multitude sizes in roll form to our clients at very reasonable prices. As add-on to serve our customers better, we also deal and supply Barcode printers, wax barcode ribbons, pricing machines and ink rolls at reasonable prices. Haroon Labels is a one stop shop for all your labelling needs.

Products

Barcode Labels

We offer Pre-printed labels, Custom made barcode label and Blank Labels on rolls.

Blank Labels

Custom made Barcode labels

Pre printed Barcode labels

Thermal Transfer Labels (TTR)

Thermal Transfer labels are offered in many different sizes. The thermal transfer ribbons require a thermal ribbon in order for the printer to print an image onto the label.

Colour wash labels

Blank Labels with thermal ribbon

Printed Labels

One of the most popular services we offer is custom printed labels. We offer a full label printing service on all roll fed thermal labels, from colour printing right through to full colour .

PRINTED LABELS

COLOURED LABELS

As well as plain white Thermal Transfer (TTR) labels and also direct thermal (DT) Labels, coloured thermal labels are also a very popular option. Often fully coloured in bright colours for use as identification as use as warehouse labels, pallet labels and also box labels.
