DIRECTORS MESSAGE

MR. SULAIMAN TM
Managing Director

The implementation of Unique Group efficient business setup during the past years has enabled us to achieve the current level of success, providing value to our customers. Our valuable customers are the main pillars of our success. Year after year, Unique Group has built a reputable image in its pursuit of excellence, winning the trust and confidence of its customers and industry partners.

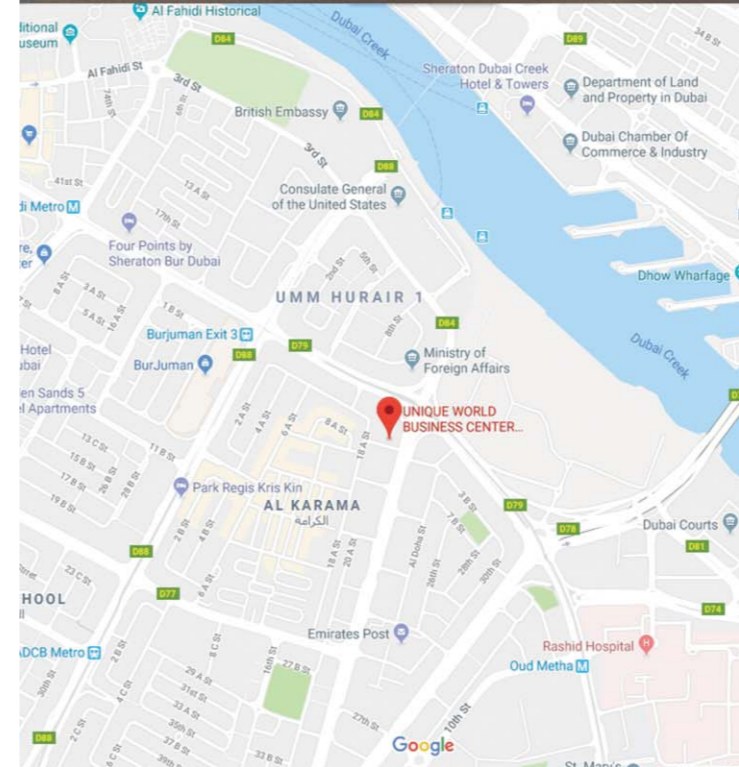

In recent years, many adventures have come to Dubai for this reason, hoping to make quick profit without much effort. But most of them soon had to admit that they had completely misjudged the situation.

MR. KHALID MATAR
General Manager

Succeeding in business here requires even more than in other parts of the world—a high level of effort, flexibility, hard work, creativity, staying power and serious approach, coupled with genuine respect for the Arab partner's ethnic and religious customs.

In founding the Unique World Business Center, our goal is to provide top class business facility with most reasonable price in the market. We always strive to provide quality service, and therefore we look forward to your feedback in order for us to continue on the journey of self-improvement.

Unique Group was formed in 1995 with the objective of facilitating entrepreneurs in launching their businesses by providing them with trade license formation and related services needed to set up a company. As part of the business set up services, Unique Businessmen Services introduced P.R.O. services and typing facilities. Gradually, we developed expertise in the field of all types of government related activities including immigration, labor, medical, Emirates ID (EID), DED, RTA, Municipality, RERA etc. During the period 2016 we are started another prestigious business center named as "Unique Pearl Business Center" in Diera – Dubai. We also started leasing fully furnished equipped offices in business centers with a dedicated and professional team, free wireless internet connectivity, free DEWA, meeting room, and car parking facilities Etc.

Presently, we are well equipped to offer top notch quality services to existing and new businesses as well. We do our work professionally with high expertise in the field of business services and you can rely on us to process and setup your business in the UAE. Apart from UAE, we also have operations in Qatar and India.

Today, our customer base has grown to 700+ clients spread across various industries such as Trading, Logistics, Professional Services, I.T., Consultancy Service, Financial Services, Travel and Tourism etc.
