**AL HELAL AL KHASEEB GAS PIPING L.L.C.**  
**Approved Gas Company By Dubai Civil Defence , Dubai**

## OUR COMPANY

**AL Helal Al Khaseeb Gas piping Co. L.L.C.** was established in 2005. With the philosophy of “**Our Dubai Our Pride. Your Safety Our Responsibility**”. We maintain our position as a leading advisor to the gas sector by continuously developing strategic thought leadership and practical strategies that help our firm’s clients meet their challenges. At **H.K.P Gas** our first priority is always “Customer Satisfaction”. Our focus has always been to deliver our service beyond the customers whom we have been serving for decades. **H.K.P Gas** is the pioneer in installation and maintenance of central gas systems and distribution of gas in bulk to industrial and commercial customers. We offer not just a gas, we provide complete solution to the customer needs, no matter how determining that may be. Our range of Services are engineered to meet the tough environmental and operational condition of Middle East. **H.K.P** remains as the leading and most developed organization in its sector in Dubai, United Arab Emirates.

## H.K.P. Gas Vision

A leader in the field **H.K.P Gas** practice has one clear vision: to be the leading provider of professional services to the gas sector. This means more than just having a strong client base. **H.K.P** member firm's already provide services to numerous global majors, independents, refining and service companies, and national gas companies across many regions. Being the leader means investing in developing thought leadership, spearheading industry debates to help keep our firm's clients at the forefront of progressive thinking, and giving our people the skills and knowledge to provide the quality, customized services our clients want. Our objective is consistent, high quality, safety environmental control, specilized service delivered on **ISO 9001 - 2008**.
