## Trailers

Tipper Trailer

All our trailers are designed and manufactured at Four Lines to meet current standards and traffic regulations.

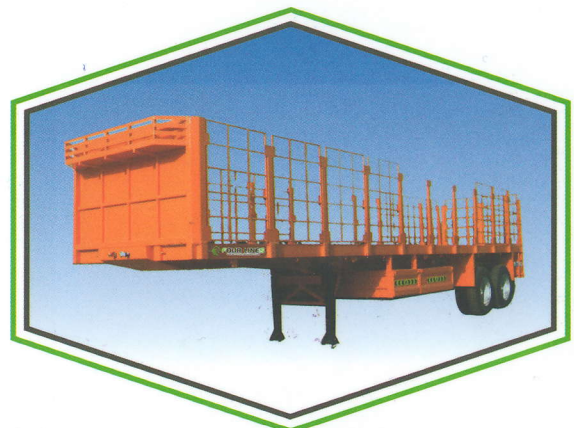

We cater for greater load capacities, specific trailer heights, additional axles, and custom fabrication. Fourlines manufacture custom orders unique to our client`s requirements.

### Model Types:

Flat Bed/Low Bed/A Frame/Tipper/Curtain Sider  
Skeletal/Cargo Body/Side Tipping/Car Carrier

Porta Cabin

Flat Bed Trailer

Curtain Side Trailer

A Frame Trailer

## Tanker Trailers

### General Specification

All our tanker trailers are designed and manufactured at Four Lines to meet current standards and regulations. We cater for a variety of load capacities, styles and custom fabrications. Four Lines designs and builds tanker trailers that are suitable for the safe transport of, fuels, chemicals, bulk powders, bitumen, waste and sewage.

Four Lines manufacture custom orders unique to our client's requirements.

Chemical Tanker Trailer

Waste Tanker Trailer

Bulk Tanker Trailer

Water Tanker Trailer

### Model Types:

Water / Petrol / Diesel / Chemical / Lined / Bitumen / Dry Bulk / Vacuum / Waste.

## Truck Bodies

### General Specification

Our truck bodies are fabricated to customer requirements and meet all the relevant standards and regulations. Four Lines design department will generate detailed drawings for approval before manufacture. Drawings will include dimensions, material types, doors and openings details and special items information.

Four Lines manufacture custom orders unique to our client's requirements.

### Model Types:

Cargo Bodies / Drop Sides and Tailgates / Panel Bodies  
Beverage Carriers/Dry Containers/Flat Beds/Small Volume Tipper Beds  
Insulated Panel Body / Refrigerated Body / Recovery Bed
