## INSTALLATION WORKS

Description: *Façade Steel structures for glass- DUT Project.*

**Description:** *Special Built Up Structure, Zayed National Museum Project.*

**Description: Supports & mesh cladding works - SIXCO PROJECT.**

**Description:** *Embedded plates Installation- High-rise building Project*

**Description:** *Steel canopy structure for cladding - MAZDAR Project*

**Description:** *Steel canopy- MAZDAR project.*

**Description:** *Steel canopy for stone cladding - Glaze project.*

**Description:** *Mezzanine floor works installation - TAMM Factory project.*

**Description:** *Steel support for cladding for bridge walk way- YTP project.*

**Description:** *Canopy & handrail works - Hatta Hospital project.*

Description: *Steel support for Marine works- SIXCO Marine project.*

# **STRUCTURAL & NON-STRUCTURAL STEEL** **FABRICATION**

**Description:** *Special Built-Up steel structure- ZNM Walk-way Project.*

Description: *Hopper & hopper structure fabrication.*

**Description:** *Heavy Hot rolled steel structure fabrication.*

**Description:** *Swimming pool support structure- ROYAL ATLANTIS Project.*

**Description:** *Canopy structure- Armed forces officers hotel & club*

**Description:** *Steel fabrication machining & assembly.*

**Description:** *Embedded plates Fabrication in process*

Specification: *(Gantry crane for marine application)*  
 4 Nos of Hydraulic cylinder with load capacity of 80 M Tons  
 with double pilot check valve for safety.

Specification: *(Hydraulic Tilting Table)*  
 2 Nos of Hydraulic cylinder with load capacity of 75 M  
 Tons with double pilot check valve for safety.

Specification: *(Hydraulic system for swimming pool)*  
 4 Nos of Hydraulic cylinder with load capacity of 20 M  
 Tons with double pilot check valve for safety.

**Description: *Fabrication of Hydraulic systems.***

## **FORMWORKS & ACCESSORIES**

**Description:** *Marine application formworks.*

**Description:** *3 Mt Dia X 4 Mt Circular column formworks for Guggenheim project*

**Description:** *Screw jack system for CSCEC.*

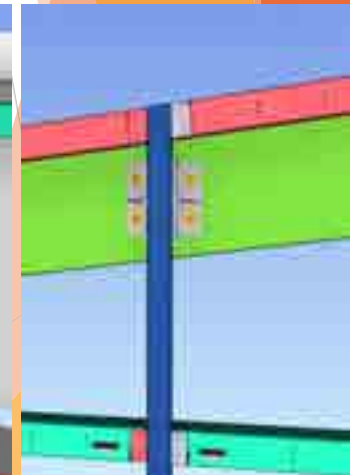

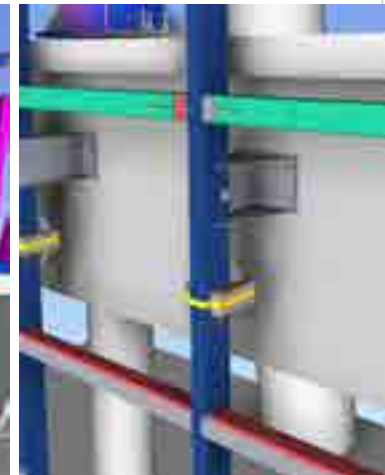

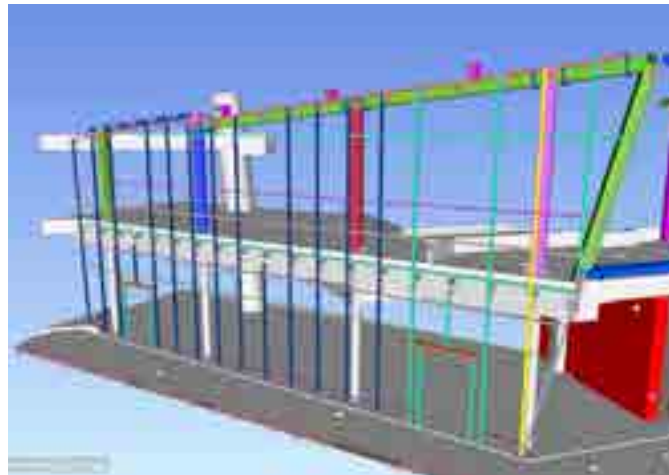

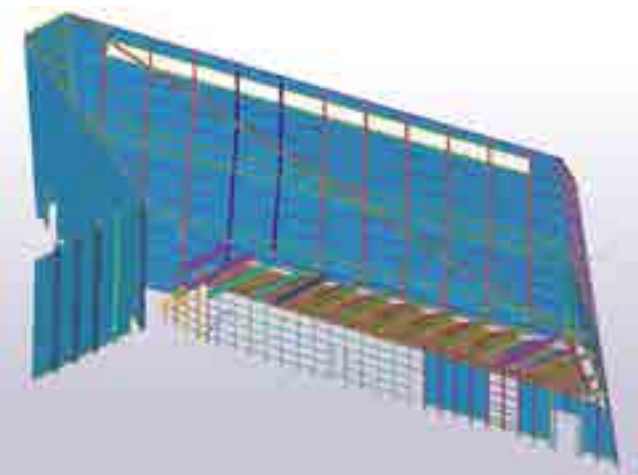

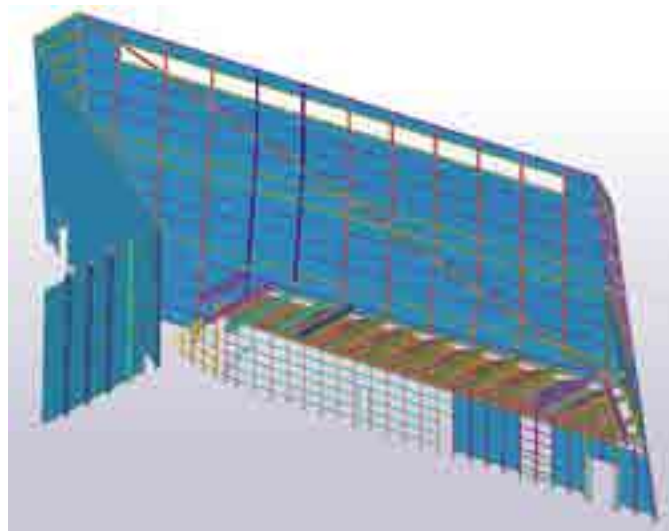

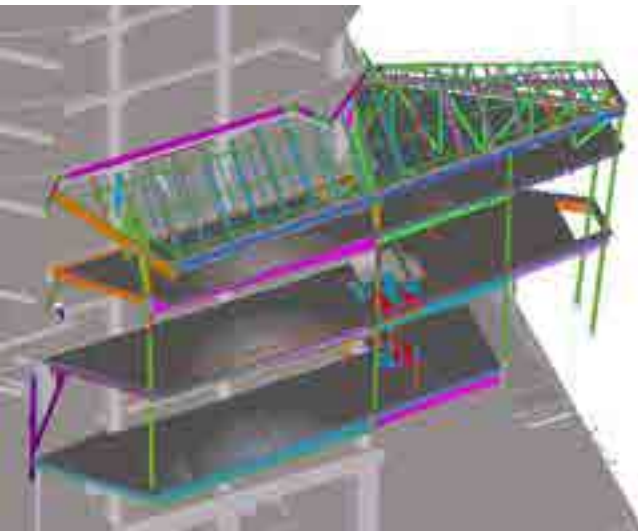

## 3 D MODELING OF PRODUCTS

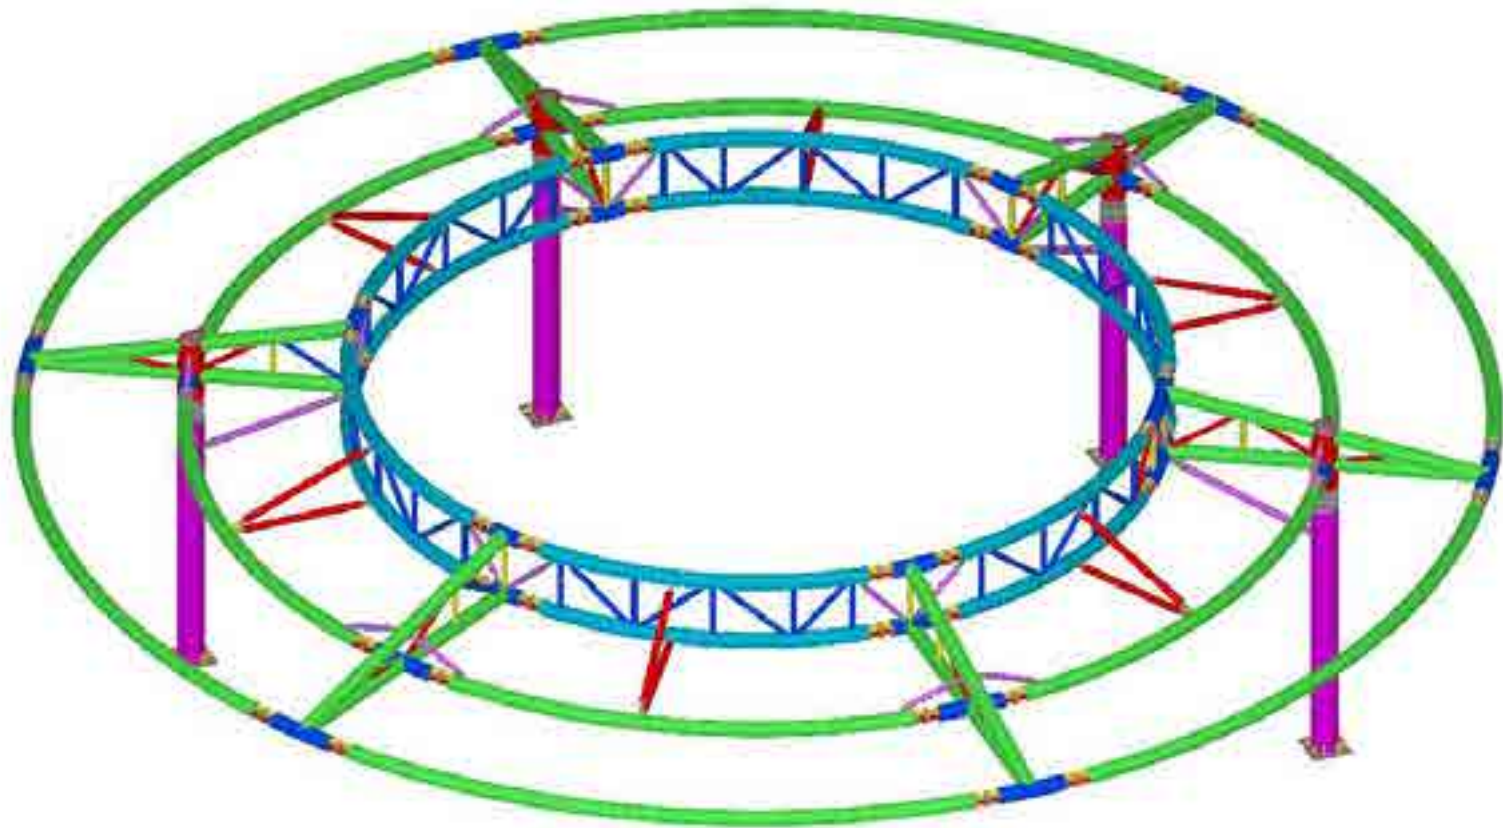

Description: *Steel structure for press, vibrating sieve device.*

**Description:** *Glass Facades modeling of connection details- DUT project.*

**Description:** *Shade structure- Armed forces officers hotel & club.*

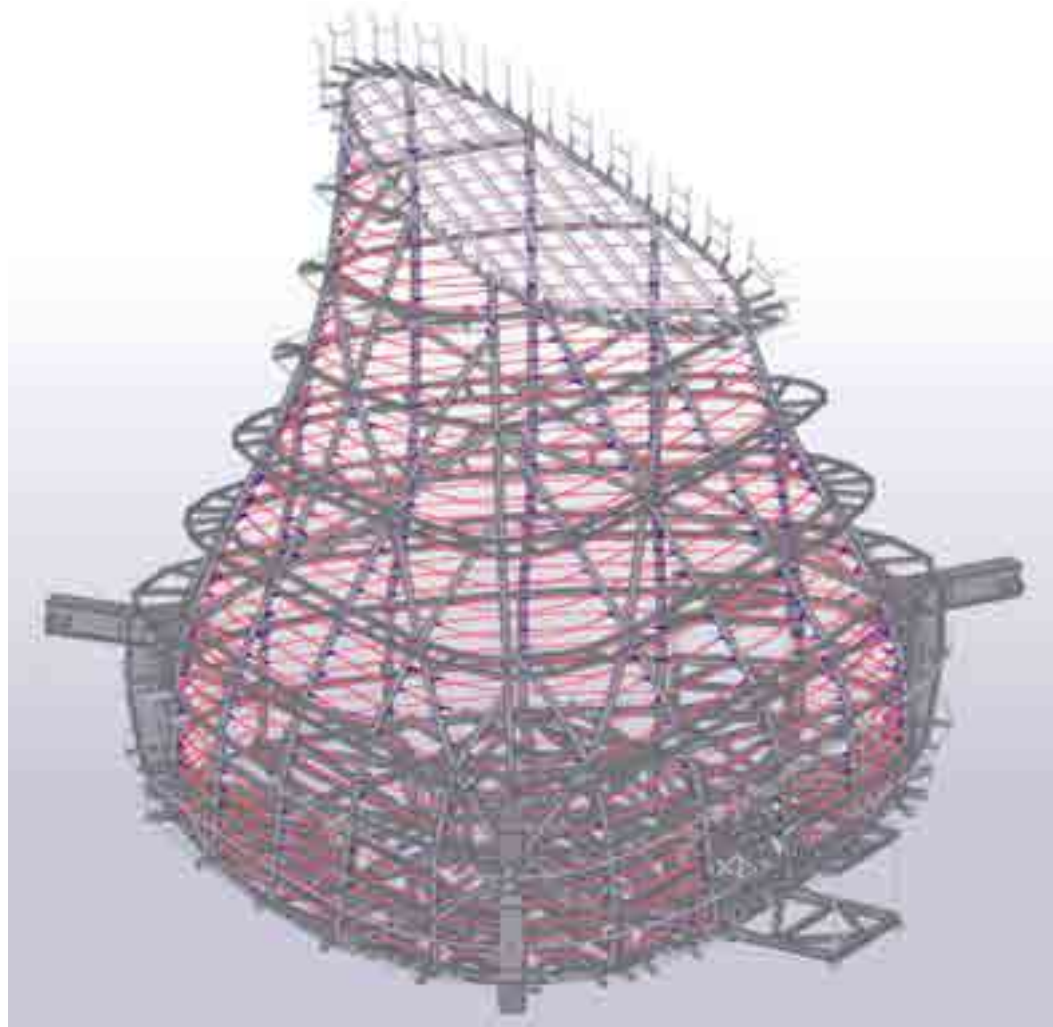

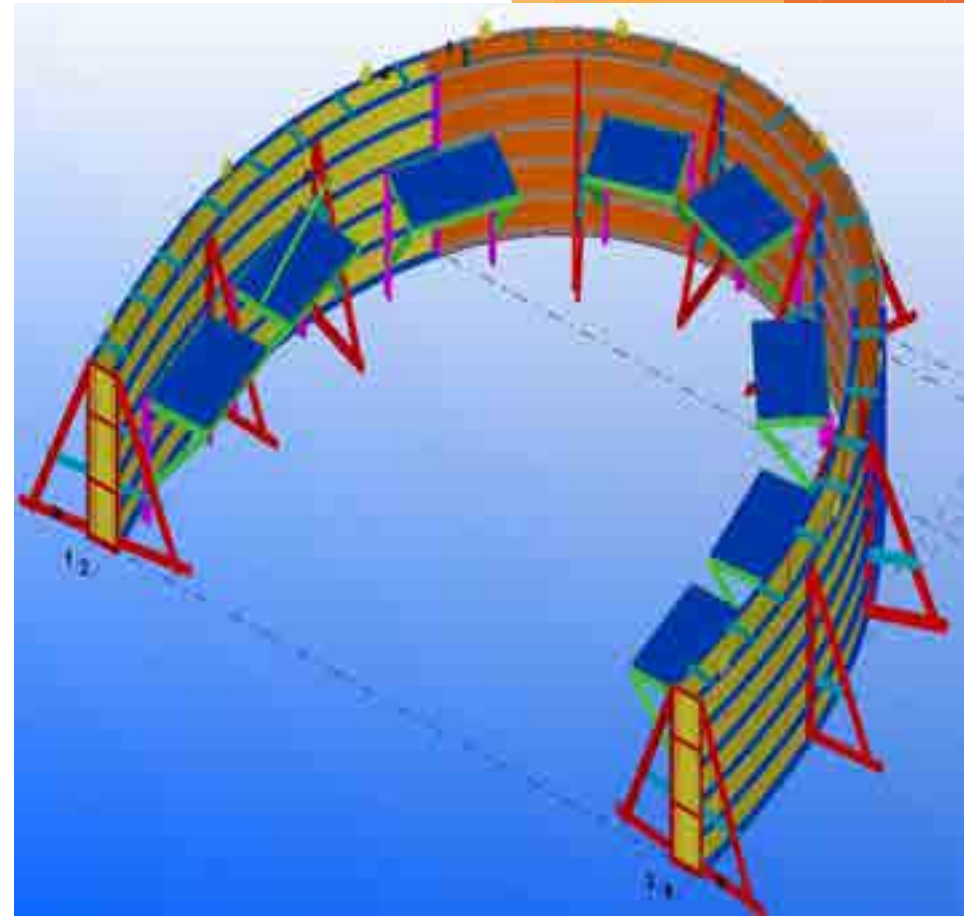

**Description:** *Mezzanine steel structure, wall support, staircase & handrails.*

**Description: GRC Bracket for Pod 5 at Zayed National Museum.**

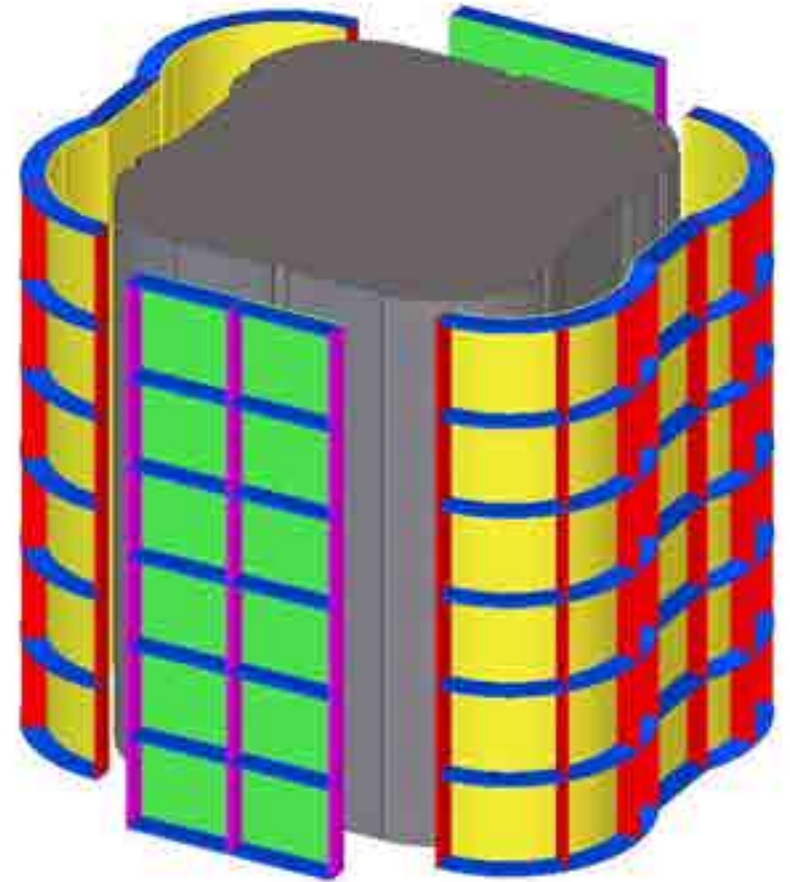

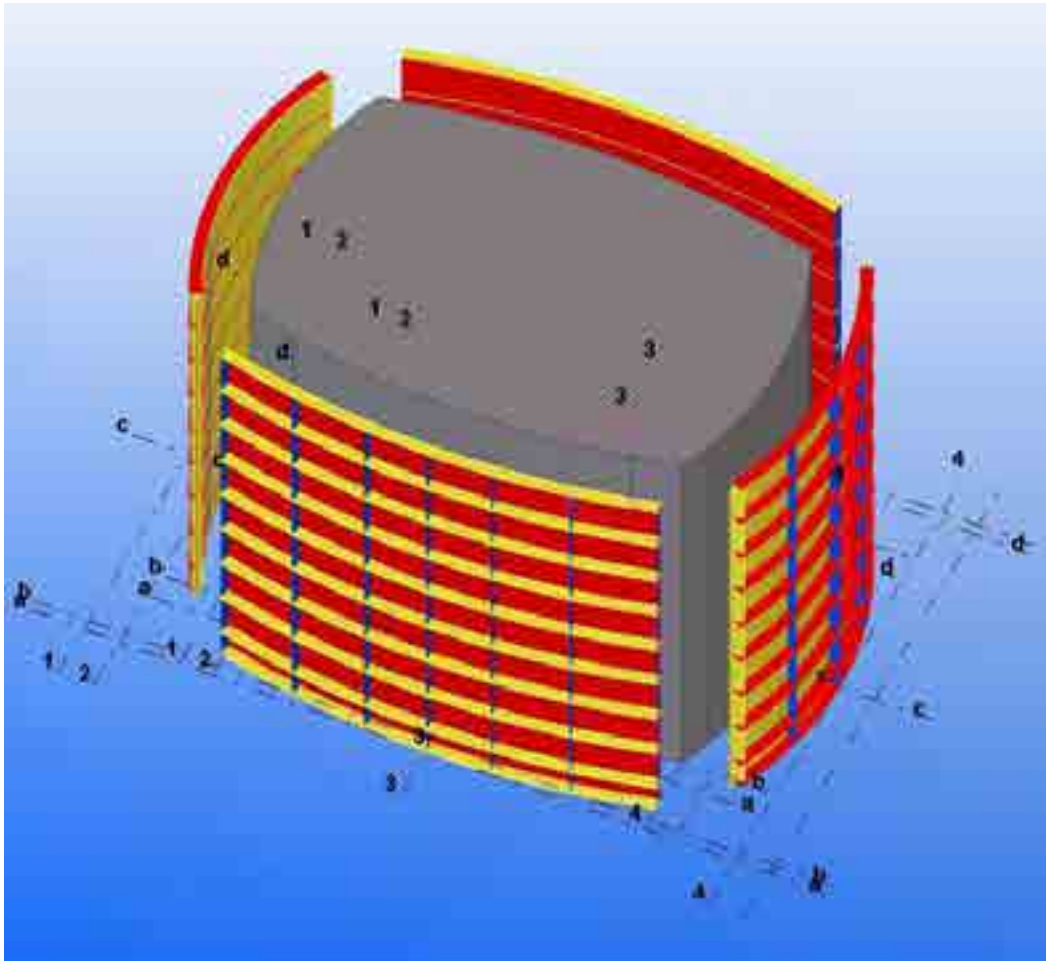

Description: *Mould formworks for marine & bridge arch application*

**Description:** *Moulds for pier stem for bridge column.*
