Our success is due to our ability to accurately interpret our clients Requirement and help provide effective solutions with state of the art equipment and reliable technical Services. Our experience, proven track record And market leading reputation is its foundation for its future growth plans.

### **Service Division:**

- Servicing of Generator, Compressors, Forklifts, Welding Machine and other machineries
- Servicing of Trailers, Recovery and Crane
- Preventive Maintenance (Quarterly/Semi-Annual/Annually) for Heavy Machineries and Equipment (Offshore/Onshore)

### **Engine Division:**

- Diesel Engine Overhaul & Servicing
- Troubleshooting
- Reconditioning of Cylinder Heads
- Machining of Crank Shaft & Cylinder Block

### **Motor and Generator Division:**

- On-board Servicing of Motors and Alternators
- Rewinding of Motors and Generators
- Troubleshooting of Motors, Generators and Alternators
- Renew varnishing and baking of Motors and Generators

# Fuel Injection

## \* Our Expertise

- \* Qualified and regularly trained technicians
- \* Specialized knowledge of all conventional Diesel systems
- \* Servicing done for all industrial and marine fuel injection equipment
- \* Multiple brand Technical Competence. {CAT/Cummins/Bosch/Stanadyne/Mico /Zexel/ Nippo-denso/CAV/Delphi/Lucas} etc
- \* Workshop equipped with modern technology
- \* Stock of all parts of fuel injection system

## Overhaul, repair and calibration Services Offered

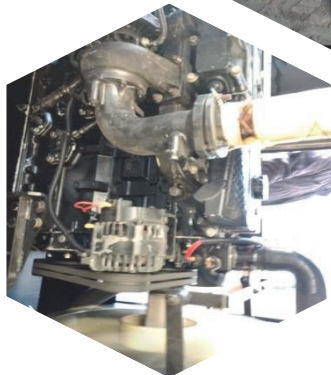

- \* Commonrail fuel injection units CP1, CP2, CP3, CP4, CRI & CRIN
- \* M, MW, A, P, ZWM In-line injection pumps
- \* Pf single – plunger injection pumps
- \* VE axial piston distributor injection pumps
- \* UPS unit pump systems
- \* UIS unit injector systems
- \* Diesel fuel supply pumps
- \* Bosch EDC Pumps/ HEUI/ EUI Injectors
- \* Repair of petrol injectors
- \* Distributor-type injection pumps with mechanical and electrical governors
- \* Leak test and opening pressure adjustment of all kinds of injectors

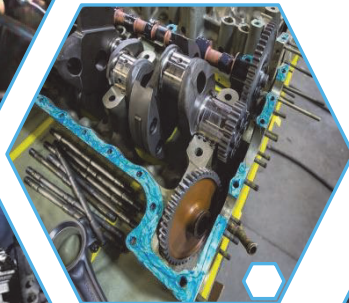

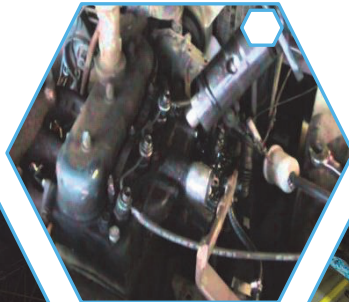

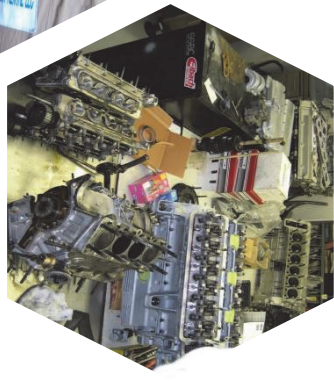

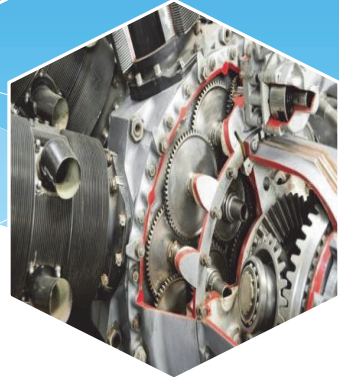

**Engineering Works**

### *World Class Service,*

- ◆ 24/7 emergency call service
- ◆ On-site pickup Delivery and Service
- ◆ Operator and Safety training Solutions
- ◆ Planned maintenance programs
- ◆ Flexible Scheduling
- ◆ All kinds of industrial/ Oil & Gas /Marine machineries for Rental

### *Safety precautions,*
