**PROCAT Catering Services LLC**, is an ISO 9001-2008 and HACCP Certified, multi faceted catering company capable of handling large volume catering orders. A state of the art central production facility at Dubai Investments Park, Dubai, UAE acts as a nerve centre capable of producing up to 18000 meals per day. Procat also operates onsite kitchens provided by clients to cater for specific categories of workers and staff.

We are managed by a team of highly skilled professionals with vast experience in the field of Hotels, Catering and Food services. The highest priorities are reserved for hygiene, food safety, nutrition and balance of meals. Quality and presentation then follow.

Experienced catering managers and supervisors control all operations on a daily basis that work closely with client representatives to garner feedback and respond appropriately to constantly improve our services.
