

POWER YOUR LIFE

OTC Generators

Perkins

Overseas Trading Center was established in 2006 with the purpose of selling and distributing diesel/gasoline engine powerful equipments. We are a multi-faceted company capable of supplying and repairing most kinds of generators and automatic control systems.

OTC is a privately owned import and export trading company engaged primarily on the generator business and related product to this field. We supplies three main brands of gensets and these are Perkins, Cummins and Lister petter.
