CLING FILMS / FOOD WRAPS

Everwhite Cling Film is a thin plastic film typically used for sealing food items in containers to keep them fresh over a longer period of time. Plastic wrap, typically sold on rolls in boxes with a cutting edge, clings to many smooth surfaces and can thus remain tight over the opening of a container without adhesive or other devices. Everwhite offers a wide verity of cling films, in the form of jumbo rolls design used for rewinding, beneficial for household and converters.
