Service Unlimited

About Us

Wellness Master is an ISO certified company providing a one stop "value for money" solution in the areas of Wellness, Fitness, Sports and Leisure industry, serving our clients with a motto "Service Unlimited" since 2007.

Currently Wellness Master operates successfully in 5 countries under multiple disciplines, partnering with various international brands and leads it's markets by being the trendsetter in the professional Wellness & SPA industry. We are specialized in Supply, Installation and Maintenance of Gym equipment, Sauna Bath, Steam Bath, Jacuzzi, Experience Shower, Ice Fountain and Sports Flooring. We have catered to several prestigious Clients in the past and have an excellent working relation with all our customers. Our entire products, spare parts, after sales service and preventive maintenance are bundled with warranty. A dedicated team of service technicians are available to maintain Health Club/SPA facilities installed by us or others.

Vision

Our vision is to maintain an organization of highly skilled professionals that serve our Clients needs with character and purpose. We aspire to be the most respected SPA builder & Gym equipment supplier and Preventive service provider renowned for Excellence and Value.

Mission

Our mission is to design, build and deliver turnkey high quality and cost effective Projects and Equipment for Wellness industry that surpasses our Client's expectations. We will accomplish this through the selective use of responsible partners, retaining first class employees and approaching each Work order with Honesty and Integrity. We are committed to the success of our Clients, our Business partners and our Employees.

Vanora Spa Solutions

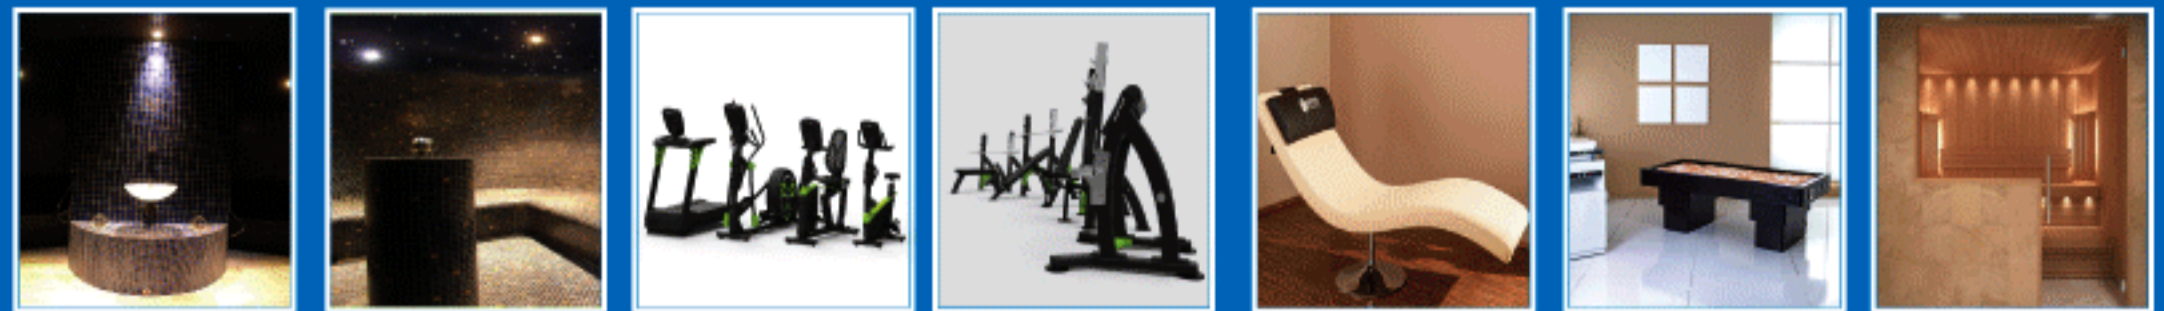

Wellness Master, along with our Western European Partners and "VANORA SPA Solutions" offers a variety of unique options, including: SAUNA BATH, STEAM BATH, TURKISH & MOROCCAN BATH, HOT TUB BATH, EXPERIENCE SHOWER, ICE FOUNTAIN, SPORTS FLOORING, ATHLETIC TRACKS, GYMNASIUM EQUIPMENT and ACCESSORIES.

VANORA Wellness concept and lifestyle is inspired by the excellence of our European partners and us. VANORA is the ultimate answer to the Wellness, both for professional designers and entrepreneurs in the industry, and individuals seeking solutions for their private villas. VANORA designs and realizes state of the art Wellness solutions that combine high technology and style, such as SPA, Wellness centers, SPA areas of Hotels and Luxury Yachts. Each work VANORA provides is customized, in accordance to the customer requirements, just like a tailored gown. Project details are studied together with our artisans and designers, using the most suitable material available. VANORA believes that Wellness is a combination of body and soul harmony that integrates the aesthetic pleasure as it is made by design art & engineering.

Whatever is your vision of Wellness, welcome to VANORA and welcome to Wellness Master!
