AN ISO 9001 : 2008 CERTIFIED COMPANY

# COMPLETE SOLUTIONS FOR OIL & GAS, MARINE, INDUSTRIAL, CONSTRUCTION & MECHANICAL PRODUCTS

## COMPANY PROFILE

Metalix LLC is a Dubai based company providing complete solutions for oil & gas, marine, industrial, construction & HVAC products. With 'quality' as the watchword, the company has grown by leaps and bounds ever since its inception. Metalix's ever-widening portfolio features Seamless Pipes, ERW Pipes, Butt weld Fittings, Flanges, Threaded Fittings, Valves, Pipe Supports, HVAC Products, Plumbing & Electrical Items, Ring Gaskets, Fishing Tools, high pressure hoses and fittings and so forth.

Metalix boasts of having many of the greatest companies in chemical, petrochemical, power, ports industry and renowned construction projects in India, UAE and other countries in the Middle East among its delighted customers. Metalix LLC is a professionally run organization led by team of highly qualified and experienced technical and marketing doyens for more than two decades. Its business operations cover both domestic and international market.

At Metalix we believe in providing our customers with only the best. To this end, we only deal with brands with a proven track record. All

our products conform to rigid performance specifications and global standards. We ensure conformance to specifications through vendors and in-house inspection and quality assurance programs.

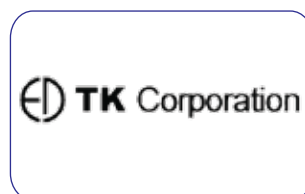

All the products we deal with are market leaders in their respective segments. Imported from countries in the Europe, Asia and the Americas, our products assure reliable performance.

### Quality Policy

Metalix LLC is committed to bringing you the finest range of product conforming to international quality standards like ASTM, API, BS EN, DIN, etc.

### Mission Statement

To become the benchmark in the areas of oilfield, construction, HVAC and marine industries, by upholding the commitment to quality, and putting the customer's interests first.

## PIPES FOR CHILLED WATER / FIRE FIGHTING SYSTEMS

### ERW Pipes

(Electric Resistance Welded)

We offer mild steel ERW tubular product in both black and galvanized class with plane end and threaded and coupled ends. Conforming to API, ASTM, BS, EN and other international specifications. All products conform to the requirements of API Q1/ ISO/ TS 29001 : 2003, UL Certified.

Our ERW Pipes range from Al Jazeera (Oman), Surya (India), Seah, Hysco Hyundai (Korea) & Conares. All our pipes confirm to various grades and Standards. The size range from 1/4" to 24". The range comprises galvanized as well as black ERW Pipes.

### Seamless Pipes

Inter pipe & Arcelor Mittal

Metalix brings you a wide range of Seamless Pipes from the leading manufacturers in this segment. The pipes are manufactured with MTC (Mill Test Certificate) in accordance with international standards including ASTM, ASME, DIN, NACE, BS, NF, UNI and JS.

Metalix is committed to supplying high quality pipes made to various international standards including API Certification

The pipes are in use around the world covering application in housing and commercial services, construction, oil field and general purpose structures.

The range :

- a. Size range from 1/4" to 24" of various schedules. (SCH-40, 80, XS, STD).
- b. Certified with Mill Test Certificate complying with API 5L standards.
- c. Single Random Length (SRL) or Double Random Length (DRL).
- d. Outside protected with Lacquer and Ends protected with plastic caps.

**AVAILABLE IN BLACK AND GALVANIZED FORMS  
PLAIN SQUARE ENDS UPTO 1.5"; BEVELLED 2" AND ABOVE  
AVAILABLE IN SINGLE/DOUBLE RANDOM LENGTHS  
COMPARABLE MATERIAL STANDARD BS 3601  
DIMENSIONS ACCORDING TO ANSI B 36.10; BEVELLED ENDS TO ANSI B 16.25**

## Butt Weld Fittings

Our portfolio comprises a wide range of Butt Weld Fittings for numerous industrial uses, made of high quality stainless steel, alloy steel, copper alloy steel, duplex steel nickel alloy, carbon steel and others. Our Butt Weld Fittings cater to Construction Industry, Petrochemical Industry, Oil Industry and other related industries.

Our range of Butt weld Fittings are manufactured by internationally reputed companies and made of high quality materials through earthing and precision process, conform to ANSI B 16.9, ASTM A234 WPB standards, JIS 2311 and DIN 2605

The Butt Weld Fittings undergo stringent quality measures to ensure the durability, evenness, surface luster, Geometrical

precision in size, strong rust resistance, accuracy and conveniences in installation and interchange ability. The specifications range from 1/2" to 24".

- ◆ 90° Elbows ◆ Long Radius ◆ Elbow ◆ Short Radius Elbow
- ◆ Extra Long Radius ◆ 45° Elbows ◆ Caps ◆ Equal Tees
- ◆ Reducing Tees ◆ Eccentric Reducers ◆ Concentric Reducers

## Flanges

There are many methods of manufacturing flanges but in the quality department, flanges manufactured by forging process reign supreme. Dimensions to be in accordance with JIS, ANSI, DIN, BS Standards accordingly.

### ASME/ANSI Standards

ANSI B16.5, ASTM A105/A182

The range of flanges supplied by Metalix features a wide array of different types of forged flanges including Weld Neck, Blind, Slip-on, Screwed and Socket Weld. The sizes range from 0.5" to 60" NB.

## Threaded Fittings

Metalix offers threaded fittings manufactured by leading manufacturers of Thailand, Malaysia and Europe who are exporters of the High Grade Malleable Iron Pipe Fittings for use in Water, Gas, Oil Services. BIS Fittings are manufactured according to the International Standards, namely the American Standard (ANSI/ASTM), the British Standard (BS EN), and the DIN / EN European Standard (EN). BIS Fittings are Certified and accredited with the DIN EN ISO 9001: 2000 by TUV Germany for their entire quality systems.

Threaded fittings manufacture all sizes ranging from 1/8" to 2 1/2" of the following.

- ◆ Elbow 90° ◆ Red. elbow ◆ Elbow 45° ◆ Equal tee ◆ Red. Tee
- ◆ Socket with Ribs ◆ Red. Socket ◆ Union ◆ End caps ◆ Plugs
- ◆ Red. bush ◆ Hex nipple ◆ Cross tee ◆ Union flat seat w/o gasket

Also, Metalix provide **BOTHWELL** fittings with 1000,2000,3000 PSI

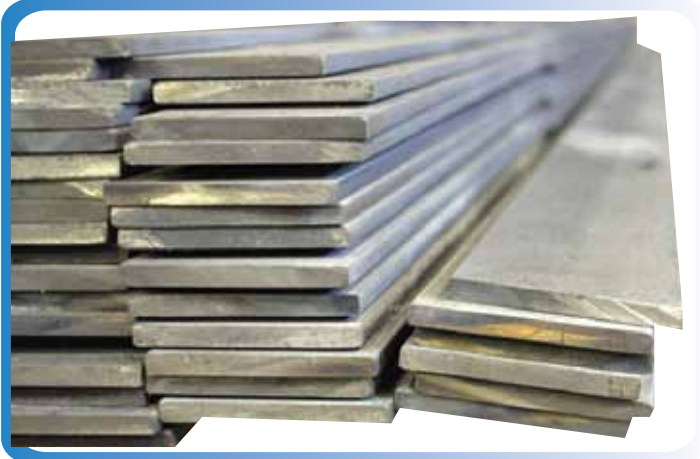

# STRUCTURAL STEEL PRODUCTS

Metalix General Trading LLC having large stock of Structural Steel Products.

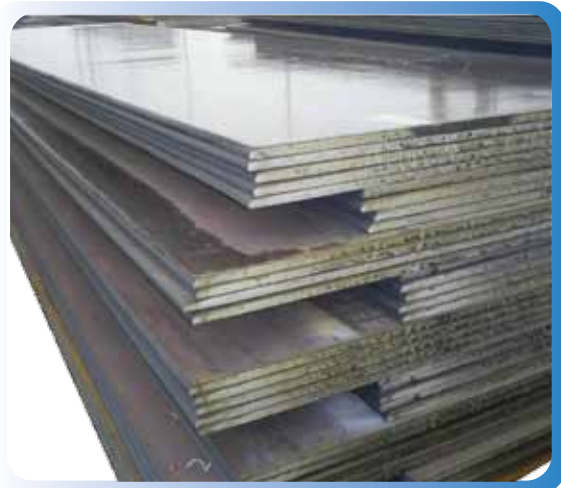

## Beams

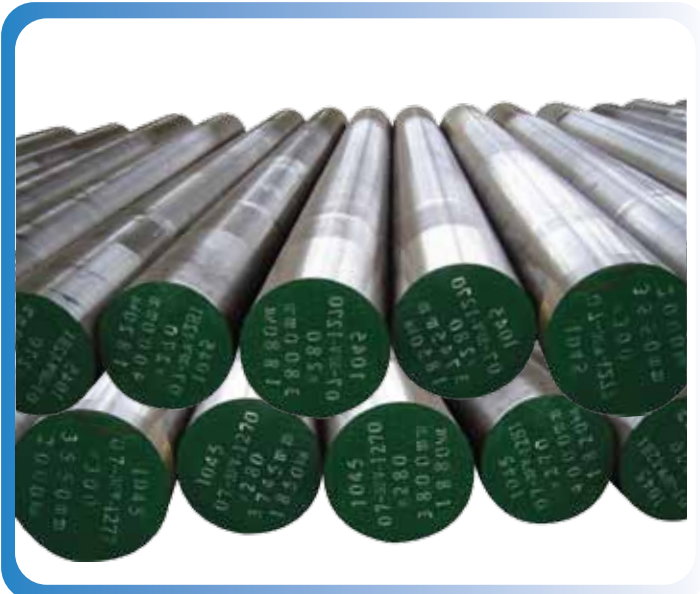

## Flat Bar

## Plates

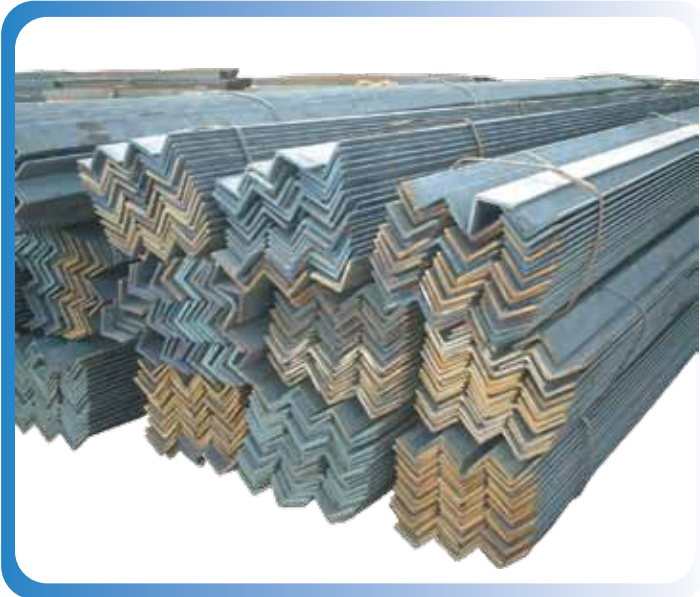

## Round Bars

## Channels & Tubes

## Angles

## SAFETY SHOES / PRODUCTS

Metalix LLC is one of the largest stockists of Metal's Safety Shoes in the region. Our range of shoes is engineered using superior quality materials that are sourced from reliable and certified vendors of the industry.

Key features of our safety shoes Echo, Spider, Hunter, Vogue and Oxo are **Durable, Quality Tested, Genuine leather, Polyurethane Outsole, Steel / Composite Toecap, Antistatic Insole Steel / Kelvar Mid plate**
