Super Cool Trading L.L.C

We Stock & distribute world
renowned, reliable, quality &
innovative products

SUPER COOL TRADING L.L.C

Super Cool Trading LLC began its operation in Dubai UAE as a small scale trading company marketing HVAC products and specialized testing instruments and tools. Over the years, the company has established a formidable reputation in the field of air conditioning, refrigeration, ventilation equipment and parts.

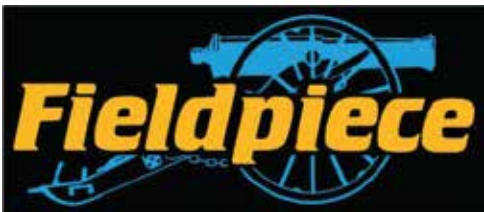

Super Cool Trading LLC has grown into a professional business. Our professionally qualified and enthusiastic staff with years of experience, feel strongly about quality and service. They enjoy their work and that translates into pleasant contact with all our customers like you.

We represent, distribute and stock wide range of products from well established and most reputed brands from different parts of the world. We not only sell quality products but also provide solutions to our valued customers. In this endeavor, we constantly look for innovative products to include into our existing list.

We take this opportunity to thank you for the interest shown in Super Cool Trading LLC and contact us for more products and services.
