

BLUE RIBBON

Blue Ribbon was formed by Prakash Menon, an industry veteran with over 20 years in the Hospitality business. With its unmatched range of brands, attentive service and competitive prices, Blue Ribbon has rapidly grown into a Premier hospitality company in the Middle East with its headquarters in Dubai.

Blue Ribbon is dedicated to provide the finest equipment to the hospitality industry – from chinaware, to premium cutlery, Bed & Bath linen, designed glassware, elegant furniture and bespoke accessories. We scour the world for the most exceptional brands. Our truly personalized service and attention to detail adds flavour to the perfect recipe for success. We are proud to have been associated with the most prestigious projects and top 5-Star brands in the region. In 2014, our journey continued and we extended our operations into India with offices in Mumbai & Delhi.

The Team

The Blue Ribbon Team comprises of an eclectic mix of professionals, working very closely with food & beverage managers, chefs, procurement companies and interior designers to provide tailor made solutions. We create the complete table-top for restaurants, rooms and spas. Ideas are presented with unmatched quality mood boards and renderings at no extra cost. Creativity is our passion and we are inimitable and hence we pride in calling ourselves “**Hospitality Connoisseurs**”.

Our Values

Blue Ribbon views the passionate, committed employees as the most essential element for guaranteeing superior service to our customers. Therefore we created a work environment that brings out the best of each individual; and we strive to make the workday delightful for our employees. In return employees are expected to act responsibly and in the best interest of the company at all times. Towards this end we, collectively, have adopted a number of VALUES that define our organization. Each of these measures, besides being an ethical guideline for each individual, is a source for improvement of the organization as a whole. Here we present the shared values of our TEAM highlighting how they reflect in our conduct.

Teamwork

Ability to collaborate is our major strength. It is self evident to us that the overall success of the organization emanates from an enthusiastic participation of all its part. Committed participation of all divisions of our organization is the driver of our resilient growth.

Decisiveness

Capacity to evaluate circumstances rapidly & willingness to implement daring solutions signifies our decisiveness. Our systems and processes are tuned for efficient decision-making.

Flexibility

Flexibility to adapt to the ever-changing market scenario is our strength. For a market in a constant state of flux, the ability to evaluate the situation from a variety of perspectives is an indispensable trait; when situation demands we have the confidence to do things differently. We aspire to distinguish ourselves for our passion, pioneering spirit and above all for our nimble response to the permanent changes.

Integrity

Utmost levels of ethical standards characterize our organization. We strive to earn respect and confidence of our business partners, customers, consumers and colleagues through our commitment to professionalism and transparency.

Quality Assurance

Quality assurance is a trait evident in all aspects of our professional & personal responses. We are proud to guarantee highest level quality for the products, processes, services and the sourcing methods. By maintaining high levels of quality throughout, all that we do is to aim constantly to exceed the expectations of all of our business partners. Besides, as an organization, we are also committed to ensuring high quality of life of everyone in our organization; we strive to provide a balance between various aspects of personal and professional lives.

Business Acumen

Business insight is a virtue that guides us to develop robust relationships with suppliers and business partners. Close relationships with all stakeholders is the key to guarantee quality products and services to our customers at an affordable cost.

STATE-OF-THE-ART SHOWROOM

The Blue Ribbon product range comprises a line-up of exquisite international brands. Revered labels traversing continents, from Asia to Europe, have been made available to the hospitality industry and discerning individuals. And now, our unmatched range has met its match. Located on Sheikh Zayed Road, our exclusive palatial boutique showroom is home to an unrivaled collection. Stop over to experience our hospitality, and a showroom worth admiring.
