# EMIRATES CAPTAIN Safety & Security

(Total Solution for Fire & Safety)

#### **About Us**

Emirates Captain Safety & Security was established in 2009 with the view of high importance of Fire Fighting & Safety Industry in United Arab Emirates and emerging need for technology input.

Providing requisite technology and services for the Fire Fighting and Safety requirements and in the sectors where security and safety risks are considered a strategic threat. Focusing on the safety and security needs of the customers and fulfilling the same.

Emirates Captain offers total solution for Fire Detection and Protection needs according to the requirements of NFPA and the local Civil Defense Authority.

We are specialized in design, installation, testing, commissioning and maintenance of Fire Detection and Fire Fighting Systems.

#### **Our Mission**

To become experts in the Fire & Safety industry in designing and executing projects with the professional and experienced manpower to cater the requirements.

#### **Our Vision**

To be a complete solution provider for Fire Detection and Protection Systems and to satisfy our clients by offering them ultimate safety in totality. To offer best after sales maintenance services to all our valued customers in the form of Annual Maintenance Contracts.
