Executive Summary

Introduction

M/ s. Dubai Walls Construction L.L.C. is a client - focused, service - oriented construction firm with Unlimited License, located in the city of Dubai, UAE. The firm has great depth of experience related to construction of projects involving facilities for the Residential, Industrial, Commercial sectors.

Today, we are recognized as a fast growing and dependable firm in the industry for our strength in traditional construction methods and for our creative, fresh approach to cutting-edge technologies and delivery system. Our expertise spans the construction industry spectrum, from smaller renovations to multi - million dirham projects. We specialize in education buildings, industrial, residential and commercial facilities.

Our team of construction professionals offers a single-source solution for all of your construction related needs. Whether it's restoration, site preparation, a new facility or facility renovation, we have experienced personnel to provide the highest quality construction on schedule and within budget. We support our clients from project inception to the commissioning of the fully operational facility. And our network of local offices enables us to offer our clients the dual advantage of a strong local presence and broad geographic reach.

Quality, Services and commitment to our clients are our mission. We meet our client's needs by providing superior service, commitment to technical excellence and by completing construction on time with high quality products. We strive to be the best in our field by focusing on competency, responsiveness, budget and schedule. Our pledge is to complete client satisfaction and a constructive contribution to our community through our work and accomplishments.

Executive Summary

Vision

A reputation built on performance.

A world undergoing constant changes makes it imperative for a business to adapt itself to seize opportunities. At DWC, strategic planning is a dynamic and ongoing process developed to make sure that the company is quick to respond to market opportunities and the needs of its clients. The company also believes that the success of any strategy lies in its execution. Thus, the strategic vision has been distilled into a set of strategic priorities by management and the Board of directors that are reflected in the priorities and targets of every employee.

Executive Summary

Core Values

Quality	:	Building excellence.
Safety	:	No task is so important that we cannot find a safe way to do it.
Integrity	:	We do the right thing for our customers and employees. We do what we say.
Resourcefulness	:	We are a can-do, get-it-done company.
Profitability	:	We provide great value for a fair return. We strategically re-invest our profits to maintain operational excellence.
Customer Satisfaction	:	We listen, we build trusting relationships and we stand behind our work.
Economic Inclusion & diversity	:	We are dedicated to being top-of-class in providing mentoring and opportunities for emerging firms.
Innovation	:	We collaborate to innovate and deliver the highest expertise.
Social Responsibility	:	We are committed to the community, environment and employees.

The Company staff & Services

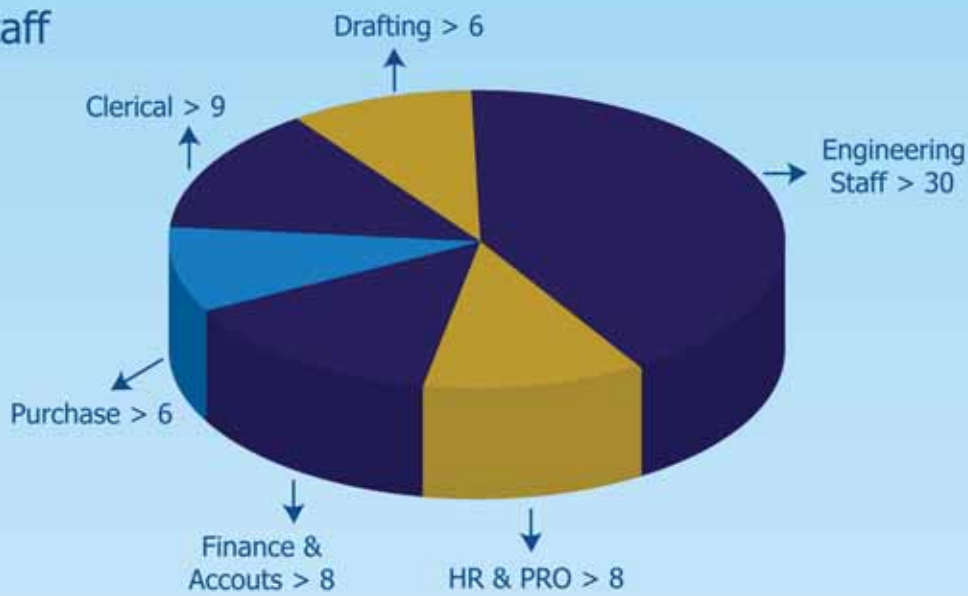

Our key staff, most of whom have decades of professional experience, have been carefully selected to complement a well Balanced team combining high levels of practical skills and knowledge acquired in the field of management and operation. This unique combination ensures pragmatic solutions to the problems inevitably encountered on most construction and engineering projects achieving value-maximization, cost minimization and optimum results which suits all parties particularly clients.

We are a career oriented-company whose commitment is to promote deserving professionals within the organization has resulted in successful and significant geographic expansion. Individuals are given the opportunity to take on as much responsibility as they are willing to seek.

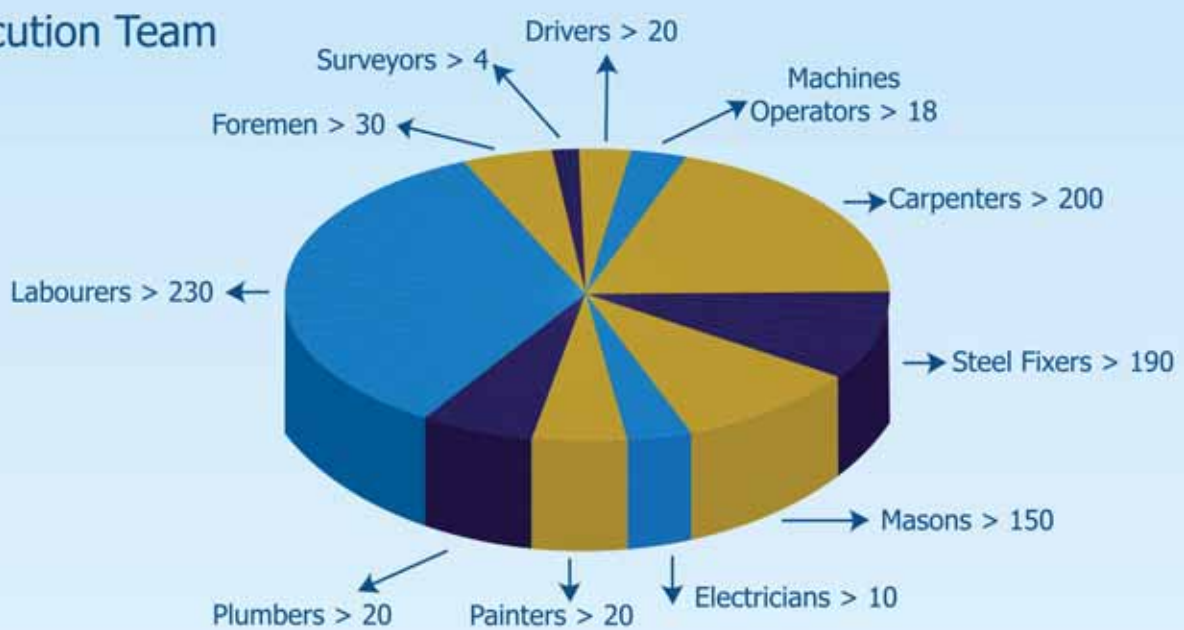

Furthermore, we believe that consistency and total commitment is the key to customer satisfaction. Our full fledged, inhouse MEP teams successfully put us in a more dependable position compared to others in the market.
