Welcome to the hefty world of Arabian Importers and Exporters FZC Sharjah. We have been ardently engaged in wooden works and packing. Kindly go through the attached company profile and some project pictures also. Kindly find below some of the features on our services:

About us

About us

Welcome to the hefty world of Arabian importers and exporters FZC. Since our establishment as a trading and manufacturing in the year of 2005 at SAIF zone Sharjah UAE. We have been ardently engaged in wooden works, packing, manufacture and supply of all types of kitchen, wardrobe, and vanities.

We manufacture custom made kitchen cabinets, wardrobes, vanities with aluminum, HPL sheets, MDF, veneer, solid wood, with an insight into steel kitchens. AIE has good landmark projects to its credit with qualitative well-crafted products, effective and creative workmanship, timely deliveries and distinguished services.

We undertake site survey, planning, designing to suit your site requirements. We relieve you by offering value added services such as supplies of other kitchen accessories like the sink, filter hood, HOB, Chimney, pull out baskets etc. to facilitate quick occupancy.

Customer satisfaction is our motto; a client of AIE is a client forever. We comply with all safety and environmental standards adhering to the industries best practices.
