

**WREN INTERNATIONAL FZC**  
**Schoolwear**

**WELCOME Message**

Welcome to Wren International FZC and this is our first catalogue to give you information about the products that we can provide for your school.

We have been in the uniform business in UAE since 2004 and our experience in garment production spans over 30 years. To maintain quality we manufacture our uniforms at our factory based in Sharjah Airport Free Zone, UAE and supply our products to schools throughout the Middle East.

Some products we keep in stock, other items we import from reputable branded schoolwear and fabric suppliers based in the UK and Europe and are members of the Sedex (the Supplier Ethical Data Exchange) responsible for improving responsible and ethical business practices in global supply chains.

Our fabric range is extensive and tested to ISO9001-2008 for durability and performance for wear and tear in the playground. Fabric qualities include poly/cottons, poly/viscose, 100% Cotton, 100% polyester, lycra mixes and fast drying performance sports fabrics. Schools can even design their own check or stripe fabric.

If you are a looking for a new school uniform we can provide you with the designs, sizing and how to set up your school shop or if you are thinking of changing your uniform we can help you with the transition to a new school uniform. Our products range from kindergarten to university graduation regalia and varsity jackets, all at reasonable prices.

We thank our loyal schools and universities for supporting us over these many years and if you are a school wishing to upgrade your uniforms please do contact us with your enquiries and we will be ready to welcome you to our services.

Early ordering will help us to give you the timely deliveries you need for Back to School.

We look forward to hearing from you and if we can assist in any way please do contact us.

**Alexandra Sacher-Clynes**  
Owner
