Program: The Expansion of Al Fujairah International Airport  
Project: Site Preparation and Enabling Works  
Contract: FJR.06.14.0525 Grading and Enabling Works at Al Fujairah International Airport  
Subject: Invitation to E-sourcing Training

Dear Mr. Ibrahim K,

Please be informed that you have successfully passed our Prequalification exercise related to Grading and Enabling Works at Al Fujairah International Airport.

ADAC is now conducting its tendering process electronically via the e-sourcing portal ([www.esourcing.adac.ae](http://www.esourcing.adac.ae)). In order to use it properly, you will need to register at ADAC through the said portal. Furthermore, you shall require an overview of the tendering system through e-sourcing.

For this reason, we are conducting a training session for our short-listed contractors to familiarize them with the system.

You are kindly requested to nominate one (1) person to attend the training, which shall be conducted on Tuesday 23 December, 2014 at 9:00 am. The location for training is: Abu Dhabi Conference Room, Wing- K, ADAC P&D Offices (by the construction site of the new Abu Dhabi International Airport) – location map attached.

Please send by return the name of your delegate along with a valid passport/visa copy as well as a copy of the Emirates ID in order that we may process Site Access gate passes.

We await your confirmation/reply as soon as possible and look forward to meeting with you next week.

Sincerely,

Masoud Al Awadi  
Head of Contracts & Procurement

Ref: TIP/PQ/VR573/128/16/jl

**Ibrahimkutty K**  
**Executive Director**  
**Bin Asheer Transport & General Contr. Est.**

**Subject: PRE-QUALIFICATION & VENDOR REGISTRATION FOR TAWAZUN INDUSTRIAL PARK (TIP), Al Ajban, Abu Dhabi**

Dear Ibrahimkutty,

This has reference to the subject and further to the submitted pre-qualification documents and our evaluation, your company has been included in our approved list of vendors under the following category:

Category: **Contracting Company**

Sub-Category: **Signages and General Contracting**

Please take note that at the time of release of RFP/RFQ, a further short listing takes place based on exhibited interest at the time and the specifics of the material / services in question as the need may be.

You are advised to quote your Registration ref. **VR573** in all future correspondence.

We require that you submit the following documents whenever they are renewed, enabling us to keep your company in our active list.

1. Commercial / Trade License
2. Chamber of Commerce License
3. Classification Certificate (if available)

Subsequently, please advise us for any changes in your contact information.

Yours sincerely,

  
**Marah Mohammed Bisharah**  
**Manager, Procurement Department**

Unit Name : Olefins Conversion Unit (OCU)  
Sub-Contract No : E-2007015-SC010 & SC010-1  
Discipline : Site Grading & Compaction Work, Equipment & Material Supply

#### **PART 2**

This is to certify that **BIN ASHEER** has successfully completed the above described work at the **BOROUGE 2 OCU** site. The project was well planned, and executed to a high professional standard and most importantly without any LTI's or safety incidents. The quality and professionalism of your site team was critical to allowing us to meet the tight completion schedule. We would like to congratulate **BIN ASHEER** for this success.

Ref : ASPM-GM84/2010  
Date : February 15, 2010  
To : **Bin Asheer Transport and Gen. Contracting Est.**  
Subject : **Project Completion Certificate**  
Location : Filling Works of Water Pool – Shahama Palace

This is to certify that Bin Asheer Transport and Gen. Contracting Est. rendered excellent service in completing the filling works of the Water Pool with the capacity of 2,400,000m<sup>3</sup> in Al Shahama, Abu Dhabi. They finished the project according to the contract's specifications and agreed period.

This certificate has been issued as per your request for whatever purpose it may serve.

Best regards,

Hazem Al Hamed  
General Manager
