every project**

ABOUT US

Plaza Middle East General Trading LLC is a market leading supplier of Electrical Products, Plumbing Solutions, Safety and Tools, Bathroom Solutions, Marbles and Granites in the Middle East. An ISO 9001:2008 certified company was established in October 2011 in Dubai as a one-stop-shop for the entire building material solutions for residential and commercial projects.

It is an associate venture of the Plaza Group of Companies that has been operating in India, since 1986. The Plaza Group expanded globally to compete in the international market and to be able to cater for the requirements of all its valued customers.

We offer products of premium brand, with entire focus on quality and excellent services.

We provide solutions to your building needs whatever be your specific application. Our expertise and integrated network ensures swift delivery of products ordered within the stipulated time frame and budget.
