Hydraulic Hoses, Fittings & Adaptors with Certification Details

We have established partnerships with leading suppliers in Europe and Asian countries to guarantee the delivery of top-quality products to our customers. We are authorized distributors for the following brands listed below:

- Interpump (IMM) • Hydrosland • DICSA • Oleo Technica • LBG • Dæhen Precision Industry Co. LTD

Interpump (IMM) 

I.M.M. Hydraulics has been a leader in manufacturing high-quality hoses, fittings, and accessories for over 30 years. With five manufacturing sites located in Europe, I.M.M. is a proud member of the Interpump Group.

Through strategic investments in the hydraulics market, the Interpump Group acquired various manufacturing and product brands, creating a single-source solution for all fluid transfer needs. Interpump Fluid Solutions was established to consolidate these manufacturers into a one-source provider of certified and compatible hydraulic hoses, fittings, machines, and accessories.

The approvals for this product include certifications from MED, RINA, BV, LLOYD'S, ABS, NKK, KR, DNV, and CCS.

We offer a hydraulic hose range as follows:
