

# QUALITY TECHNICAL SERVICES

Your one-stop destination  
for calibration

*Us QTS holds the largest  
scope of ISO 17025:2017  
accreditation - NAL 095  
under ENAS in UAE*

*- ADNOC Registered*

# Elevate Performance with Special Parameter Calibration Excellence

Our Laboratory provides both Traceable & Accredited Calibration - **ENAS NAL 095**, Certification & Repairing Services for Construction, Asphalt Testing Laboratories, Soil Testing Laboratories, and Concrete Testing Laboratories like Batching Plants, Compression Machines, and Electronic Weighing Machines as well as Calibration for Catering Companies, Hotels & Restaurants, Hospital, Clinics, Medical Centers and Pharmacies.

## OUR VISION

We pride ourselves on being a professionally managed Calibration Services & Trading company that places paramount importance on technical expertise and customer trust. At Quality Technical Services, our team of trained service engineers embodies a commitment to delivering impeccable service and unwavering technical prowess.

## OUR MISSION

Our mission is clear: we strive to be the cornerstone of reliability and precision in the calibration industry. We understand that the trust and satisfaction of our customers are fundamental to our success. That's why we go the extra mile to ensure our customers receive not only exceptional service but also a comprehensive suite of test and measurement solutions contributing to their long-term success.

## SERVICES

- CALIBRATION
- REPAIR
- SUPPLY

**10+**

Years In Business

**2.5k**

Happy Clients

**30+**

Field Of  
Accreditations

**50+**

Trained Staffs

## Special Parameters

SPT Hammer - Energy Test

Barometer Calibration

Vibration Calibration

Coating Thickness Calibration

Laser Distance Meter Calibration

Density Hydrometer Calibration

Concrete Test Hammer Calibration

Precision Level Calibration

Gloss Meter Calibration

Surface Plate Calibration - Roughness  
Flatness & Hardness

Machine Speed Test Calibration

## Research & Development

Our R&D activities focus on advancing technologies, methodologies, and standards to ensure the highest level of measurement accuracy and reliability.

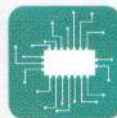

**Advanced Metrology Techniques**  
**Instrumentation Innovation**  
**Traceability & Standard Compliance**  
**Customer-centric Solutions**

## Industries We Serve

- ✓ Civil
- ✓ Oil & Gas
- ✓ Aircraft
- ✓ Manufacturing
- ✓ Municipalities
- ✓ Testing Labs

## Areas Of Calibration

### Electrical Calibration

Multimeters, Clampmeters, Earth resistance & Insulation Testers, Oscilloscopes, Process meters etc.

### Force Calibration

Compression, Fluxural & Marshall machines, Proving rings, Hydraulic jacks, Torque wrenches etc.

### Pressure & Vacuum Calibration

Barometers, Manometers, Pressure & Vacuum gauges, Safety relief valves, Pressure Transmitters etc.

### Dimensional Calibration

Plain, Threaded, Taper thread - Plug & Ring gauges, Pin & Feeler gauges, Micrometers, Calipers, LVDT etc.

### Temperature & Humidity Calibration

Thermometers, Hygrometers, Autoclaves, Incubators, Data loggers, Drying Ovens, Liquid baths etc.

### Mass & Weighing Instruments Calibration

Weigh bridges, Crane scales, Batching plants, Weighing balances, Conventional mass etc.

### Physical Calibration

Tachometers, Hardness testers, Durometers, Proving tanks, Stopwatches, Burettes, Pipettes, Beakers etc.

### Environmental Calibration

Weigh bridges, Crane scales, Batching plants, Weighing balances, Conventional mass etc.

# Let's Calibrate success together!
