

The Company has experience in the heating field for over 23 years. Mainly produce Light Oil, Heavy Oil, Dual Fuel, and Natural Gas Burner.

Our clients vary from Bakeries, Industrial Boilers, Powder Coating, Steam Machine & Laundry, Hot Water Boilers, Metal Casting, Ceramic Factory, Glass Factory, and Cars Polishing Machine.

Our unique approach to combustion blends durable, reliable products with the best technologies to provide clean, safe and efficient heat. We believe in the responsible intelligent use of energy and we'd like **ZEINTEC** products to help make your operation successful.

Our vision is to provide a wide range of company products and deliver to the consumer the best quality of oil & gas burner and spare parts in the **GCC**.

We grant our success with our customer satisfaction, and with our market-leading strategy providing a competitive & advantages for our clients through manufacturing a special design product that fitting our customer's special needs with high technology, continuous innovation to reach the highest level of services as well.

Being one of the distributors of **Zeingroup** Company, we characterized the best quality of industrial products in the field of boilers, burners and spare parts which are the following details below:

- Heating boilers from 1165 to 10560 Kw three pass-low Nox
- Superheated water boilers from 140 to 2900 Kw 4.9 , 9.8 bar
- steam Boilers from 94 to 6923 Kw
- High pressure
- Low Nox
- Three effective smoke passes
- Partially exonerable from qualified conductor del model 3
- Totally exonerable from qualified conductor (24/7 - 97/23/CE - EN 12953/6)

- Light oil burners
- Heavy oil burners
- Gas burners
- Dual fuel burners(Gas/Light oil Burners Gas/Heavy oil Burners)
- Industrial burners

- Gas Control
- Natural & LPG Pressure regulator
- Solenoid Valves
- Gas Multiblock
- Double Solenoid Valves
- Gas & Air Filter
- Gas control Measurements and Safety System

- Gear Pump: Low, Medium & High Capacity pumps
- Light Oil, Heavy Oil & Marine Oil 10 to 30.000 kW
- Pressure Regulator Unit
- EM-Pumps-Fuel
- EM- Pumps- Water & Other Liquids

- Light & Heavy Oil Burners Nozzles
- Modulating Burners Nozzles
- Return Nozzle System
- Special Air Atomising Nozzle Solid Cone
- Industrial Oil Nozzles with Steam & Air System
- Modulating Burners Site System with Accessories

- Oil & Gas Control Box Unit
- Servo Motors
- Light Sensors for Automatic Oil & Gas Firing Devices
- Servo Drive for Gas Valves

- Oil & Gas Control Box Unit
- Servo Motors
- Flame sensor
- Gas Valves
- Pressure switch
- Level sensor

- Oil & Gas Control Box Unit
- Servo Motors
- Flame sensor
- Gas & Oil Valve
- Electrodes

- High Voltage Ignition Transformers
- Light Voltage Silicone Cable
- Cable Clips, Couplings Accessories
- Special insect electrocution device

- Flexible Hoses Water
- Flexible Hoses Light & Heavy Oil
- Stainless Steel Gas Hoses
- Stainless Steel Gas Hoses
- Steam Hoses

- Water and oil thermostat
- Room internal thermostat & fan coil system
- temperature & pressure gauges
- Solar control system
- Accessories

Supporting burners spare parts for:

- Baltur
- Bentone
- Elco
- Ecoflam
- F.B.R
- Hansa
- Intercal
- Korting
- Lamborghini
- Oertli
- Oilon
- RAY
- Riello
- Unical
- Viessmann
- Weishaupt
- Wolf

Our Services:

We aim to provide you with timely, competent and flexible services through our professional technical staff. Our technical teams are trained in the practical and intellectual knowledge of the industry and have the experience and know how to offer the ideal solutions whether it be installing or maintaining our burners and boilers.

Zeintec guarantees that our company only offers best quality industrial product with the best price in the market.
