Background

Unique Catering Services Ltd. (UCS) is an International Catering and Support Services Company registered in Saudi Arabia under the General Investment Authority. The Company is 100% foreign owned.

The owners of UCS are also directors of Taylorplan - Saudi Arabian Markets Ltd (Taysam) which was the previous trading name for UCS. Taylorplan has been providing catering and facilities management for over 35 years. Now under the new brand name of Unique Catering Services Ltd. we continue to expand and offer the following services:

- Industrial Catering Contracts, Business & Industry (B&I)
- Camp Management
- Design & Equipment Supply
- Consultancy Services
- Support Services – Soft Facilities Management (SFM)
- Labour Supply

Our Mission statement is *“to be a modern proactive Company providing Catering and SFM Services to the Petro Chemical and Business & Industry Sectors”*

This is achieved by being:

- Open and transparent Client/Customer relationships
- Giving best value for agreed quality
- Striving for continuous operational improvements
- Leading by example while embracing change and new challenges
- Being environmentally aware Eco friendly solutions

The Services We Provide

Unique Catering Services Ltd. (UCS) has had many years experience developing their systems in operating a wide variety of services which are divided into six specific areas:

- Industrial Catering Contracts, Business & Industry (B&I)
- Camp Management
- Design & Equipment supply
- Consultancy Services
- Support Services –Soft Facilities Management (SFM)
- Labour Supply

Our experienced Operations Team constantly review our resources to ensure a first class service whether its feeding a 5000 man labour camp or designing mobile kitchens. The UCS team will advise and support clients from conception to mobilisation and into the daily operations.

UCS Catering

We offer a wide and varied range of multi ethnic menus, all of which are nutritionally balanced to provide the work force with healthy meals.

UCS Camp Management

We regularly supply full camp services which may include Catering, Cleaning, Laundry and Security. These facilities are managed by our experienced Camp Bosses.

UCS Design & Equipment Supply

At clients requests we are able to design bespoke camps which meet their specific requirements; this may include the sourcing of equipment supply.

UCS Consultancy Services

Our experienced consultancy team specializes in assisting companies create their own Strategic Plan, for both their long and short term Catering requirements. We are also positioned to review Hotel Operations and formulate strategic options for their consideration.

UCS Support Services – Soft Facilities Management

Our expertise include operating a variety of Soft Facilities Management (SFM) where clients may select various areas such as Reception, Gardens & Grounds, Cleaning, Security and even Reprographics to contract out. This allows the clients to focus on their core business and reduces their manpower demands.

UCS Labour Supply

UCS offers a Labour supply service to clients who may just require to fill short term vacancies. These positions vary from chefs or cooks to staff who will service office refreshment requirements. This service has proved popular with small remote locations where a full Catering contract may not be financially viable and clients are happy to service their own needs. The additional advantage in the GCC region is that the client may not wish to utilise his own company visas.
