

ARROW BALANCED CALIBRATION SERVICES L.L.C

AN ISO 9001-2015, CERTIFIED COMPANY

Our Mission

To be the complete solution provider in the field of Instrumentation.

Our Vision.

ARROW Balanced Calibration Services LLC is a specialized Engineering, Service, Supply Company in the field of test, measurement, process, control instrumentation and valves. Our main goal is to deliver the highest level of quality and technical excellence to customers with services that one absolutely satisfying.

We can offer our services and suppliers to industries such as Oil & Gas, Power & Water, Petrochemical, Process, Marine & offshore and Construction. Apart from Calibration Services our main focus is to give complete solution for field Instrumentation.

ARROW Balanced Calibration Services LLC is specialized in the field of Instrumentation, Calibration and Technical Solution.

Our Services.

Calibration and Testing Services.

Calibration & Certification of Pressure, Temperature, Electrical, Force, Weight, Linear, Inspection, Welding, Measuring and Digital Instruments.

Testing, Setting Servicing & Certification of Safety & Pressure Relief Valves, Hydraulic & Pnumatic Pumps, Hoses and Flow Lines, Air Compressor, Distription Manifolds.

Supply

Instrumets - Pressure, Temperature, Flow, Level, Electrical, Weighing, Linear, Inspection and Process Instruments.

Valves & Fittings - Safety & Pressure Relief Valves, Hydraulic ,Pneumatic, Manual and Control Valves,

FiiTINGS & Accessories. -High Pressure , Instrumentation Fittinas and accessories

OUR BRANDS

ARROW A Complete Solution Provider for

Instrumentation & Calibration

Calibration Services

Calibration & Certification of

Pressure

- Pressure Gauges
- Pressure Switches
- Pressure Transmitters
- Chart Recorders
- Pressure Pumps
- Pressure Calibrators
- U Tube Manometers

Digital Testing Instruments

- Sound Level Meter
- Tachometer
- Anemometer
- Hygrometer
- Lux Meter
- Water Purity Analyser (pH/ Cond/TDS)
- Multi Gas Detectors

Inspection Equipment

- Coating Thickness Gauge
- Ultrasonic Thickness gauges
- Pin Hole Detector
- Whirling Hygrometer
- Dew Point Meter
- Holiday Detector
- Salt Contamination Tester

Welding Equipments

- Welding Machines
- Hi-Lo Welding gauges
- Quivers
- Mother Ovens
- Portable Ovens

Temperature

- Temperature Gauges
- Temperature Transmitters & Switches
- Thermocouples & RTD
- Controllers & Indicators
- Temperature Calibrators
- Digital Thermometer & Infrared Thermometers
- Chillers Freezers & Ovens
- Cold Rooms, Freezer Chiller Vehicle, Incubators...

Testing, Setting, Servicing & Certification of

- Safety Relief Valve & Pressure Reducing Valves
- Hydraulic & Pneumatic Pumps
- Distribution Manifolds
- Air Compressor
- Hydraulic & Pneumatic Hoses & Flow Line
- Levelling Instruments

Electrical

- Multi Meters & Clamp Meters
- Insulation / Earth Testes
- Multi Function & Process Calibrators
- Pole Testers
- ELCB / RCCB Testers
- PAT Testing

Linear Instruments

- Venire Caliper
- Dial Gauges, Depth/ Height Gauges
- Micrometers
- Thickness Gauges
- Distance Meter
- Measuring Tapes & Scales
- Level Indicators

Force / Weight

- Torque Wrenches
- Hydraulic Gauges
- Table Top Scales,
- Platform Scales & Floor Scales
- Weigh Bridges & Crane Scales

We Do Repairing & Servicing of Mother Ovens & Chart recorders

Stockiest & Supply of

Instrumentation Valves

Needle Valves,
Manifold valves
Block & Bleed Valves
Multiport Valve

Instrumentation Fitting

Male Connectors
Female Connector
Tube Unions
Tube Elbows
High Pressure Adaptors

Pressure Gauges, Switches, Transmitters, Chart Recorders, Diaphragm Seals, Sensors,

Temperature Gauges, Switches, Transmitters, Chart Recorders, Diaphragm Seals, Sensors, Thermocouples, RTDs

Electrical Instruments

Multi Meter, Calamp Meter, RCD Testers, Insulation Tester, Earth Leak Tester, Junction Box, Electrical Panels

Digital Testing & Measuring Instruments

Anemo Meter, Sound Level Meter, Thermal Imager, Tachometers, Thermohygrometer, Lux Meters, Dewpoint Meters, Laser Distance Meter

Linear & Inspection Instruments.

Micrometer, Calipers, Dial Indicators, Thickness gauges, Gauge Blocks, Feeler gauges, Weld gauges, CAM Gauges, Protractors

Valves

Safety relief Valves Ball Valve Needle Valve Gate Valve Globe Valve
