Our History

Action Builders Construction LLC was established in 2005 in the UAE by team of engineers with a passion for excellence. The philosophy from day one was to build a service-driven, quality-focused and client centric company.

Now, as we complete **16 years**, we are privileged to rank as a service provider of repute in the region renowned for cutting edge technology.

All of the furniture we produced are based on our clients' needs and preference. Hence, the designs are very customized and authentic.

Our Core values

We believe that the strong desire of presenting the best quality products would drive us to lead the market

Vision

Become the top tier interior designer in the field

Mission

Produce a high-quality fitout interior considering the convenient, functional, and artistic value

” Our Client Feedback

The works never disappoint me. They actively contact me just to ensure that everything went as I wish. Thank you team.

ADCOOP Project Manager

The atmosphere they brought to my office made my day. The productivity even increased due to the comfortable workspace.
