FRESH AIR DELIVERED DAILY !

HVACR PRODUCTS

Our Motto: Fresh Air Delivered Daily !

More than 40 years of experience in the Design, Supply and Installation of High quality products, tools & precision parts for Air Conditioning & Refrigeration making Al Emadi Group a prominent player in the Gulf region.

Al Emadi Group was a pioneer in the HVAC market when it was founded in Qatar in 1962. We then expanded our networks and started as Al Emadi Air Conditioning & Refrigeration Equipment Co L.L.C in United Arab Emirates in 2004. Since then we have been at the forefront of the AirConditioning industry, opening branches in Dubai and Sharjah.

At Al Emadi, we embrace new ideas and revolutionary technologies, to ensure that we meet the ever changing needs of the customer. We firmly believe in protecting the environment and ensure that our products are Eco friendly & cost effective.

Al Emadi Group employs over 50 staff members and 3 teams of Sub-Contractors for installation across the United Arab Emirates.

Al Emadi has completed more than 200 projects in the region i.e. residential / commercial buildings, luxury villas, high rise buildings, shopping malls, schools, mosques, hotels etc. over the course of the last 5 years.

We have established an excellent supply chain and have entered into exclusive Dealerships/ Agreements with many world class manufacturers to market/promote their products in the region.

Our mission is to ensure maximum customer contentment, simultaneously granting the future generation an enhanced abode, adhering to the environment friendly practices.
