SERVICES

Dubai ▪ Abu Dhabi ▪ Sharjah

Audit and Assurance Services :

Being our core service, we strive to ensure that Auditing is performed with utmost diligence and dedication by providing independent audit services that create value proposition to business by :

- Understanding current International Accounting Standards,
- Identifying and mitigating risk,
- Ensuring compliance to regulatory and reporting framework, and
- Applying relevant technical experience.

Financial Accounting & Supervision :

We specialize in improving and streamlining accounting processes regardless of the volume and complexity of the transactions.

Our experienced accounting support team provides a wide range of services such as :

- Book-keeping
- Monthly, quarterly, and year-end reviews
- Management Reporting and Financial Analysis

Internal and Management Audit :

Our team reviews the business and discuss forward planning in a proactive manner ensuring improved decision making and adequate risk mitigation leading to maximization of profits.

Valuation of Business Entities and Mergers & Acquisitions :

We offer a complete range of Mergers and Acquisition and Business Valuation services. Our team provides assistance throughout a merger or joint venture setup, from initiating dialogue with potential partners, setting of strategic directions to documentation and business plan. We also undertake valuation services thus assisting the owners in estimating the economic value of their business.

Project Reports & Feasibility Studies :

We at AGX, associate ourselves with the manoeuvres well before a business begins to operate. Our involvement begins with the business idea, evaluation of the idea and preparation of a project report that helps in determining the feasibility of the same.

Payroll :

By providing payroll services, we assist in avoiding additional costs and efforts required to establish a dedicated software and train the staff for payroll maintenance irrespective of the volume of the workforce.

VAT & Excise Tax Compliance, Registration and Return filing :

Our Tax experts will provide all the necessary guidance and professional services required for VAT & Excise Tax Compliance, Registration and Return filing. AGX team will extend support and advise required for the proper implementation of tax and assures accounting compliance in terms of tax. We also provide necessary training and assistance to our Client's employees for the same.
