WHO WE ARE

FRONTLINE LOGISTICS, PART OF FRONTLINE GROUP, A WELL KNOWN GROUP OF COMPANIES FOUNDED BY A FEW YOUNG ENTREPRENEURS WITH ONE MOTTO "SERVICES UNLIMITED". SINCE ITS INCEPTION IN THE PAST DECADE, FRONTLINE GROUP HAS GROWN INTO ONE OF THE REGION'S LEADING BUSINESS GROUPS.

SEA, AIR (IMPORTS / EXPORTS)

We offer a comprehensive air and ocean freight service to the importers & exporters of high-value Cargo and different types of break bulk and oversized cargoes, whether it's a small consolidation or a load requiring a full charter, Frontline offer customers time sensitive solutions for their specific needs.

LCL (CONSOLIDATION) SERVICES

Frontline Logistics offers affordable, economical, weekly consolidation services. As a value added service, destination clearance is also offered at most competitive rates. One stop shop is the solution, that is the key of Consol Services that is offered by Frontline Logistics.

CUSTOMS CLEARANCE

Frontline specializes in providing cost effective customs clearing services. We handle the clearance of various consignments arriving by air, land and sea. Our staff keeps abreast of the latest updates of procedures, rules and regulations associated to trade and customs restrictions.

WAREHOUSING (BOTH FREE ZONE BONDED AND LOCAL CARGO)

Frontline Logistics warehouses are among the safest places to store goods. We offer warehousing facilities at the most competitive rates and equipped with electronic data system, temperature controlled fire alarms backed by round the clock security systems.

LOCAL TRANSPORTATION

Frontline with its fleet of trailers can handle any types of goods, whether it is temperature-sensitive perishables, tractor units, construction equipment's, power plant equipment's etc.

Military, UN & Aid Logistics

Movement across difficult terrain - Iraq, Afghanistan, Yemen and Syria, whether it military, UN OR Aid shipments Frontline is your choice.
