AIR FREIGHT

AFS
AL AZAAN FREIGHT SERVICES

AL AZAAN AIR FREIGHT FORWARDING SERVICES

As an air forwarder and consolidator we provide customer a specific global airfreight programme, In short airfreight is a premium and costly service, so we mainly focus on reliable transit and constant communication and ability to seize cost saving opportunities. We mainly partners with 1st class carriers that offer the most consistent transit with confirmed space allocation with competitive rate without losing focus on the most important aspect of air shipping on time delivery.

Al-Azaan has been providing time-definite domestic and international air freight services to satisfied customers. Our internal expertise and relationships with all major air carriers is unparalleled in the marketplace. We have no size, weight, or schedule limitations and can offer flexible options to and from all locations throughout the globe.
